**Subject: Amended Labeling, Resubmission in Response to Agency Review Dated May 9, 2007
INSECT GUARD II INSECT REPELLENT, EPA Registration No. 54287-8
Your Resubmission Dated June 20, 2007**

Dear Mr. Dickens:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following provision:

Storage and Disposal section comment(s), page 2 of 2:

1. Replace the existing section with the following:

STORAGE AND DISPOSAL

Pesticide Storage: Store this product in a cool, dry place inaccessible to children.

Pesticide Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency [or toll-free number or website which meets the criteria in paragraph II.E, PR Notice 2007-1] for disposal instructions. Never place unused product down any indoor or outdoor drain.

The optional marketing claim "Repels mosquitoes that may carry West Nile virus" requires in part the submission of product-specific efficacy data. In accordance with the Agency's January 5, 2004 letter, this data requirement remains applicable. Once the efficacy performance guidelines for repellents are in place, you will be notified of all efficacy data requirements.

2/4
A stamped copy is attached for your records. Please submit two (2) final printed copies of the referenced label, incorporating the above changes, before releasing the product for shipment. If you have any questions regarding the label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

Richard J. Gebken
Product Manager (10)
Insecticide Branch

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL. Shake well before using.

Rub a thin uniform layer on exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. Do not apply near eyes and mouth and apply sparingly around ears. Do not apply to children’s hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. (Instruct older children in the proper use of this product.) Do not apply more than 3 times per day to children ages twelve (12) and under. Do not apply over cuts, wounds or irritated skin. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. May damage certain synthetic fabrics; acetate, spandex, rayon and leather and plastics such as eyeglasses and watch crystals. [Will not damage cotton, wool, or nylon.][Do not apply on or near acetate, rayon, spandex, or other synthetics, furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles.]

STORAGE & DISPOSAL

Storage: Store in a cool, dry place inaccessible to children. **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency [or toll free number or website which meets the criteria in paragraph II.E., PR Notice 2007-1] for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals**

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Due to irritating nature, may be harmful if swallowed. Use of this product may cause skin reactions in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.
