NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Associated Registrations
 P.O. Box 188
 Safety Harbor, FL 34695

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Add the phrase "EPA Registration No. 54287-11" to the label prior to releasing the product for shipment.
3. Add the following statements to the paragraph directly following the heading **PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals CAUTION:**

Causes eye irritation. Harmful if swallowed. Do not allow children to rub their eyes if hands have been treated.

4. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

ATTACHMENT IS APPLICABLE

**MGK Repellent 326

Keep Out of Reach of Children
CAUTION

See back panel for additional precautionary statements.

NET CONTENTS: ___ OZ.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all Directions and Precautionary Statements Before Using This Product

Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Do not use under clothing. Do not spray directly on face. To apply to face, spray on hands and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. Repeat as needed. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

Avoid contact with plastics, such as eyeglass frames and such fabric as acetate and rayon.

STORAGE: Store in a cool, dry area away from heat or open flame. **DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Instruct older children in the proper use of this product. Do not spray on face, lips or into eyes. Do not spray in enclosed areas. Do not apply over cuts, wounds or irritated skin.

Statement of Practical Treatment

In case of contact with eyes, flush with water. Get medical attention if irritation persists. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your physician or local poison control center. If swallowed, promptly drink a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Contact a physician.

Physical or Chemical Hazards

Flammable. Keep away from heat or open flame.
