### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### Read all Directions and Precautionary Statements Before Using This Product

[For human use product packaged as a liquid (rub-on):]

Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Do not use under clothing. Do not apply to eyes and mouth and do not apply to the hands of young children. Repeat as needed. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Avoid contact with plastics, such as eyeglass frames, fabric, such as acetate and rayon, and leather, such as watch bands.

[For human use product packaged in a pump spray:]

use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Do not use under clothing. Do not spray directly on face. To apply to face, spray on hands and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. Repeat as needed. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Avoid contact with plastics, such as eyeglass frames, fabric, such as acetate and rayon, and leather, such as watch bands.

[For equine use product packaged in a pump spray:]

To repel the insects listed on the front panel, hold sprayer 6 to 12 inches from animal and spray on the areas where insects are observed. To apply to face, spray on a clean cloth and rub on. Apply in early morning or at dusk for best results. Repeat every 24 hours or as directed by a veterinarian. Frequent reapplication and saturation is unnecessary for effectiveness. Do not apply other insecticides or repellents when using this product. Do not spray in enclosed areas. Do not apply under wraps or bandages. Do not apply over cuts, wounds or irritated skin. Do not apply to eyes and mouth. Do not spray directly on face. Wash thoroughly with soap and water after handling. Wash contaminated clothing before reuse. Avoid contact with plastics, such as eyeglass frames, fabric, such as acetate and rayon, and leather. Do not use on horses intended for slaughter.

**STORAGE:** Store in a cool, dry area away from heat or open flame. **DISPOSAL:** Do not reuse empty container; wrap and put in trash.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans and Domestic Animals

[For human use product packaged as a liquid (rub-on):]

**CAUTION:** Causes eye irritation. Harmful if swallowed. Do not allow children to rub their eyes if hands have been treated. Instruct older children in the proper use of this product. Do not apply over cuts, wounds or irritated skin.

[For human and equine use product packaged in pump spray:]

**CAUTION:** Causes eye irritation. Harmful if swallowed. Do not allow children to rub their eyes if hands have been treated. Instruct older children in the proper use of this product. Do not spray on face, lips or into eyes. Do not spray in enclosed areas. Do not apply over cuts, wounds or irritated skin.

#### Statement of Practical Treatment

**In case of contact with eyes,** flush with plenty of water. Call a physician if irritation persists. **Note:** Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your physician or local poison control center. If you go to a doctor, take this repellent with you.
