DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all Directions and Precautionary Statements Before Using This Product.

{For human use product packaged as a liquid (rub-on):}

Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Do not use under clothing. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. Do not allow children to handle this product. Frequent reapplication and saturation is unnecessary for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Avoid contact with plastics such as eyeglass frames, fabric such as acetate and rayon, and leather such as watchbands.

{For human use product packaged in a pump spray:}

Use just enough repellent to cover exposed skin and/or clothing. Avoid overexposure. Do not use under clothing. Do not spray directly on face. To apply to face, spray on hands and rub on. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. Do not allow children to handle this product. Frequent reapplication and saturation is unnecessary

for effectiveness. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Avoid contact with plastics such as eyeglass frames, fabric such as acetate and rayon, and leather such as watchbands.

{For equine use product packaged in a pump spray:}

To repel the insects listed on the front panel, hold sprayer 6 to 12 inches from animal and spray on the areas where insects are observed. To apply to face, spray on a clean cloth and rub on. Apply in early morning or at dusk for best results. Repeat every 24 hours or as directed by a veterinarian. Frequent reapplication and saturation is unnecessary for effectiveness. Do not apply other insecticides or repellents when using this product. Do not spray in enclosed areas. Do not apply under wraps or bandages. Do not apply near eyes and mouth. Apply sparingly around ears. Do not spray directly on face. Wash thoroughly with soap and water after handling. Wash contaminated clothing before reuse. Avoid contact with plastics, such as eyeglass frames, fabric, such as acetate and rayon, and leather. Do not use on horses intended for slaughter.

DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
