54287-18

Date of Issuance:  
NOV 9 2004

NOTICE OF PESTICIDE:  
  x   Registration  
       Reregistration

(under FIFRA, as amended)

Term of Issuance:  
Conditional

Name of Pesticide Product:  
INSECT GUARD 30-S  
AEROSOL

Name and Address of Registrant (include ZIP Code):

Associated Registrations  
P.O. Box 188  
Safety Harbor, FL 34695

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label change:

a. Revise the EPA Registration Number to read, "EPA Reg. No.54287-18".

Signature of Approving Official:

*See page 2*

Date:

*November 9, 2004*

3. Efficacy data guidelines are being developed. Once these guidelines are in place, product specific efficacy data will be required for all DEET products. Once the efficacy guidelines are in place, you will be notified of the efficacy requirements.

4. This product must be packaged in containers utilizing a concave trigger to help aim the product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes.

5. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Richard Gebken  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

◆ = Optional / Alternate text

NOTE: The First Aid statement's grid format will be used if market label space permits; otherwise a paragraph format will be used.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.** Hold container 6 to 8 inches from skin or clothing with a slow sweeping motion. Do not spray in enclosed areas. For maximum protection, spread evenly with hand to moisten all exposed skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds or irritated skin. Do not spray directly on face. If used on the face, spray on hands first then apply sparingly and avoid eyes. Wipe palms after applying. To apply to clothing, spray shirts, pants, socks and hats. For chiggers and ticks, also spray pant cuffs, socks and around opening in outer clothing. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over application of this product as frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage cotton, wool or nylon. Do not apply on or near: acetate, rayon, spandex or other synthetics (other than nylon), furniture, plastics, watch crystals, leather and painted or varnished surfaces including automobiles.

**STORAGE AND DISPOSAL**

Storage: Store away from heat or flame in an area inaccessible to children. Disposal: Do not puncture or incinerate! If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**PRECAUTIONARY STATEMENTS**

**Hazard to Humans - WARNING:** Harmful if swallowed. May cause eye injury. Avoid contact with eyes and lips. May cause skin reaction in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
