Subject: Notification per PRN 98-10 – Addition of optional marketing claims and graphics
Product Name: Insect Guard 3023 Insect Repellent Lotion
EPA Registration Number: 54287-23
Application Date: 8/5/2021
Decision Number: 579505

Dear Dr. Dickens:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact please contact Elizabeth Fertich at 202-566-2675 or by email at fertich.elizabeth@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich".

Net Weight _____ fl. oz.

FIRST AID

If In Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
If Swallowed:	<ul style="list-style-type: none"> • Call a physician or poison control center for further treatment advice. • Have a person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a Poison Control Center or a doctor. • Do not give anything to an unconscious person.
<p>Have product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-356-7811, Weekdays from 9-5 EST, for emergency medical information.</p>	

NOTE: The First Aid statement's grid format will be used if market label space permits; otherwise a paragraph format will be used.

PRECAUTIONARY STATEMENTS

Hazards to Humans

WARNING: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco, or using the toilet. Discontinue use and consult a doctor if irritation or rash occurs. The information below describes the first aid procedures for incidents involving this product:

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. [See leaflet inside box for usage directions.] **SHAKE WELL BEFORE USING.**

For best results, read and follow all label directions. Follow these guidelines when applying this product. Apply evenly to skin in a thin layer. Do not exceed two applications per day. Excessive amounts or more frequent reapplication should be unnecessary. Do not apply to the hands of small children. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Do not apply under clothing. Apply sparingly around ears. When using on children, apply to your hands and then apply it to the child. Do not apply to their hands. To apply to a child's face and neck, apply the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product. Apply on face by first spreading small amounts in palms of hands and spreading on face and neck, avoiding your eyes.
