Dear Ms. Stapleton:

Subject: Label Revision-8 oz. Tube Container
Stapleton's Magnetic Roach Food M.R.F. 2000 - Paste Formula
EPA Registration Number 54452-2
Amended Application Dated June 29, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Three (3) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the product label is enclosed for your records.

Because the label text for each pesticide product must be identical, with the exception of the container NET CONTENT, regardless of the actual container size, the following statement may be appropriate to replace the phrase "STIR WELL BEFORE USING":

For containers other than the plastic tube, stir well before using.

As new labels are printed, revise the statement HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS to read as HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

Sincerely,

Mr. Adam Heyward
Acting Product Manager 10
