

2 1994

Sharon Bennett
Tenino Wood Preservatives, Inc.
6947 Coal Creek Parkway S.E., #186
Renton, WA 98059

Dear Ms. Bennett:

Subject: Revised Labeling
CUNAP COAT
EPA Registration No. 54471-5
Your Submission Dated September 15, 1994

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- According to our records, Company Number 54471 is assigned to the company name and address above. However, the labeling bears the company name "Copper Care Wood Preservatives, Creston NE 68631". Reinstate your company's name and address. We note that we have no record of the company, Copper Care Wood Preservatives. If that company is a distributor of your product both companies must complete and submit to the Agency Notice of Supplemental Registration of Distributor (EPA Form 8570-5).

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

15/

Cynthia Giles-Parker
Product Manager (22)
Fungicide-Herbicide Branch
Registration Division (7505C)

PRECAUTIONARY STATEMENTS
Hazards To Humans And Domestic Animals

WARNING

CONTAINS PETROLEUM DISTILLATE
AND COPPER NAPHTHENATE

Harmful if swallowed. May be absorbed through skin. Do not get in eyes, on skin or on clothing. Wash Thoroughly after handling. Avoid breathing vapor or spray mist. Use in well ventilated area.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED: Do not induce vomiting, CALL PHYSICIAN IMMEDIATELY.

IF INHALED: Remove to fresh air.

IF IN EYES: Flush with plenty of water and get immediate medical attention.

IF CLOTHING CONTAMINATED: Remove and wash thoroughly before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by disposal of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame. Use only with adequate ventilation. Close container after each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Storage: Product will not freeze. Store at temperatures between 40°F. and 100°F. If product has been spilled or is leaking, remove the source of the spill or leak. Recover free liquid. Spread absorbent, then pick up and place in containers. Then where applicable, wash area with detergent and water. Store product in original container only. Do not store with fertilizers, food and feed. Keep container closed when not in use.

PESTICIDE DISPOSAL: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

Plastic Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
Metal Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
