Avoid

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Promptly drink a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

**IF IN EYES:** Flush with plenty of water. Get medical attention.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning equipment or disposal of wastes.

**DIRECTIONS FOR USE**

It is a violation of Federal law in any manner inconsistent with its labeling.

Super Algzyne is used to control algae in swimming pools, exterior spas, whirlpools, hot tubs, and decorative fountains. For maximum effectiveness, pools, hot tubs, and decorative fountains should be cleaned prior to application. For pools, having just visible algae, use of 16 to 24 fluid ounces of Super Algzyne per 1,000 gallons of water and remove settled algae. Treatment of a freshly cleaned and filled pool requires 12 fluid ounces of Super Algzyne per 1,000 gallons of water. Subsequent additions of 4 to 8 fluid ounces per 1,000 gallons of water should be used for initial treatment for maintenance.

Spas, whirlpools, hot tubs, and decorative fountains with just visible algae growth require an initial treatment of 16 to 24 fluid ounces of Super Algzyne per 1,000 gallons of water. Subsequent additions of 4 to 8 fluid ounces per 1,000 gallons of water. For decorative fountains, add initially 1 to 2 fluid ounces of Super Algzyne per 1,000 gallons of water. Subsequent additions of 0.8 fluid ounces of Super Algzyne per 1,000 gallons of water should be used for initial treatment for maintenance.

Super Algzyne is compatible with other algaecides used to treat pools, spas and decorative fountains at both acid and alkaline pH. Super Algzyne is compatible with chlorine products used in pools, spas, and decorative fountains and may reduce the amount of chlorine required. However do not mix Super Algzyne with dry or liquid chlorine products.

**BEST AVAILABLE**

**STORAGE AND DISPOSAL**

**HOUSEHOLD USERS - STORAGE:** Do not store in unoriginal container.  
**DISPOSAL:** Do not reuse container. Rinse and discard in trash. Securely wrap original container in layers of newspaper and discard in trash.

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 57135-1" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
