 with COMMENTS  
 in EPA Letter Dated

MAR 25 2002

Under the Federal Insecticide,  
 Fungicide, and Rodenticide Act  
 as amended, for the pesticide  
 registered under EPA Reg. No.  
 54705-11

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION**

### FIRST AID

- If In Eyes:**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
  - Remove contact lenses, if present, after 5 minutes, then continue rinsing.
  - Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. May cause skin allergies to develop. Avoid contact with skin, eyes or clothing. Wear a long-sleeved shirt, long pants, chemical-resistant gloves, and shoes plus socks when applying this product. Remove contaminated clothing and wash before reuse. Keep all persons, children, and pets out of treated area until sprays have dried.

#### ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

**DIRECTIONS FOR USE (VERSION A)**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

Read all directions carefully before applying.

WEED STOPPER HOSE 'EM prevents many weeds and grasses from growing in established ornamental beds, gravel driveways, walkways, and other non-planted areas. WEED STOPPER HOSE 'EM can be sprayed onto the soil surface or over the tops of ornamentals and ground covers.

WEED STOPPER HOSE 'EM will control the following weeds and grasses:

Barley, little	Oat, wild
Barnyardgrass (Watergrass)	Oxalis stricta (Yellow woodsorrel)
Bittercress	Panicum, fall (Spreading panicgrass)
Bluegrass, annual	Panicum, Texas
Brachiaria (Signalgrass)	(Buffalograss)
Carpetweed	(Coloradograss)
Chickweed, common	Pigweeds
Crabgrasses	(Carelessweed)
(Large crabgrass)	(Prostrate pigweed)
(Small crabgrass)	(Redroot)
Crowfootgrass	(Rough pigweed)
Cupgrass, Southwestern	(Smooth pigweed)
Fiddleneck, coast	(Spring pigweed)
Filaree, redstem	(Tumble pigweed)
Filaree, whitestem	Puncturevine
Foxtails	Purslane, common
(Bottlegrass)	Pusley, Florida
(Bristlegrass)	(Florida purslane)
(Giant foxtail)	(Mexican clover)
(Green foxtail)	(Pusley)
(Pigeongrass)	Rocket, London
(Robust foxtail)	Rock purslane, desert
(Yellow foxtail)	Ryegrass, Italian
Goosegrass (Silver crabgrass)	Sandbur, field
Groundsel, common	Shepherdspurse
Henbit	Sprangletop, red
Johnsongrass (Seedling only)	Spurge, prostrate
Jungle Rice	Texas Panicum
Knotweed, prostrate	(Buffalograss)
Lambsquarters	(Coloradograss)
Lovegrass, Mexican	Watergrass
Lovegrass, orcutt	Witchgrass
	Woodsorrel, yellow
	(Oxalis stricta)

WEED STOPPER HOSE 'EM can be used around the following annual and perennial flowers, groundcovers, trees, shrubs and ornamentals:

Abelia, Glossy	Ivy, English
Andromeda, Japanese	Juniper
Arborvitae, Oriental	Laurel, Mountain
Azalea	Laurel, English
Bird-of-Paradise	Lilac, Common
Boxwood, Common	Manzanita, Stanford
Brushcherry	Maple
Camellia	Marigold
Chrysanthemum	Oak
Cotoneaster dammeri	Oleander
Daisy, Trailing African	Oregon Grape
Douglas Fir	Pansy, Garden
Escalonia	Periwinkle, Dwarf
Eucalyptus, Narrow-leaved	Petunia
Euonymous	Photinia
Fatshedera	Pieris japonica
Fir, Grand	Pine
Fir, White	Privet, Glossy
Firethorn	Privet, Golden
Forsythia, Border	Privet, Japanese
Gardenia	Redcedar, Western

Golden-Rain Tree	Spruce, Norway
Heavenly Bamboo	Star Jasmine, Chinese
Holly, English	Sweetgum, American
Honeysuckle, Japanese	Viburnum, Sandankwa
Ice Plant	Xylosma
Impatiens	Zinnia, Common

#### HOW TO APPLY:

SHAKE WELL BEFORE USING.

WEED STOPPER HOSE 'EM will not kill existing weeds. Before applying WEED STOPPER HOSE 'EM, remove any weeds, grass, fallen leaves and other plant debris. Rake area smooth, if necessary. WEED STOPPER HOSE 'EM will cover 1,000 square feet of established annual and perennial flower beds, ground covers, ornamental beds, gravel walkways, driveways, etc.

Over application can cause damage to shrubs, trees and groundcovers. DO NOT use on dichondra or turfgrasses. DO NOT plant grass or shallow-rooted flower and groundcovers (less than 4") in treated areas for 4 months following treatment. To prevent weed growth from occurring, DO NOT disturb surface after treatment. DO NOT apply to or around vegetables, fruits or other edible plants.

To prevent staining avoid application to fences, sidewalks, patios, cement blocks, stucco or painted surfaces. If these surfaces are accidentally sprayed, hose off with water. May stain clothing.

1. Before you start, the blue flow switch should be in the "OFF" position, and the red flow switch should be in the up, "CLOSED" position.
2. Shake container well and attach it to your garden hose, while holding sprayer at waist level and pointing in a direction away from face and body.
3. Turn on water from the faucet.
4. When you are ready to spray, turn the blue flow switch to "ON" position; turn red flow switch to the forward, "OPEN" position; and begin spraying.

5. When you are finished spraying or if you have to stop spraying at any time, turn the blue flow switch back to the "OFF" and the red flow switch to the "CLOSED" position.
6. Turn off the water at the faucet.
7. Remove the container from the garden hose; then rinse thoroughly and store according to storage instructions.

### USE PRECAUTIONS

Apply only to established plantings. Newly planted flowers, shrubs or trees have to settle in.

Do not use WEED STOPPER HOSE 'EM around vegetables, fruits or other edible plants.

Do not use on lawns or dichondra. Do not treat steep areas, where the product may move downhill.

Do not use over newly planted ice plant. Wait several weeks, until ice plant is well rooted, before applying WEED STOPPER HOSE 'EM.

Do not use this product around these plants; they will be damaged: Techny arborvitae, Eastern (Canada) hemlock, or Slender deutzia.

---

---

## DIRECTIONS FOR USE (VERSION B)

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

### What Is This Product? And What Will It Do?

WEED STOPPER HOSE 'EM is the easy way to have beautiful, weed-free flower beds as well as weed-free driveways, walkways and other non-planted areas all year round. Once you've cleaned out the weeds and grass already growing around your flowers, shrubs and trees, WEED STOPPER HOSE 'EM keeps them from coming back. And it lasts up to 4 months!

Now you can plant your zinnias, pansies or marigolds, spray with WEED STOPPER HOSE 'EM, then sit back and watch them grow. No more hands-and-knees weeding for you.

This easy-to-use container attaches right to your garden hose, so there's no mixing. Use only what you need, then put it away for next time. When the container is empty, simply throw it away.

### How Do I Use This Product?

#### When To Use:

For established beds and borders, you can use WEED STOPPER HOSE 'EM anytime throughout the growing season. But, the area must be free of weeds and grass, before you spray. Re-spray every 3 to 4 months to keep the areas free of weeds.

#### What To Do:

Shake well before using. WEED STOPPER HOSE 'EM won't work on weeds and grasses already growing. So, you have to remove them before you get started. When you are finished preparing the area, you can spray.

#### How To Use This Sprayer: Shake container well before getting started.

1. Before you start, the blue flow switch should be in the "OFF" position, and the red flow switch should be in the up, "CLOSED" position.
2. Shake container well and attach it to your garden hose, while holding sprayer at waist level and pointing in a direction away from face and body.
3. Turn on the water from the faucet.

4. When you are ready to spray, turn the blue flow switch to "ON" position; turn red flow switch to the forward, "OPEN" position; and begin spraying.
5. When you are finished spraying or if you have to stop spraying at any time, turn the blue flow switch back to the "OFF" and the red flow switch to the "CLOSED" position.
6. Turn off the water at the faucet.
7. Remove the container from the garden hose; then rinse thoroughly and store according to storage instructions.

Spray WEED STOPPER HOSE 'EM evenly over the soil and the plants (yes, right over the top of the leaves), but avoid areas where bulbs are planted. The orange color lets you see where you have sprayed and prevents skips or overlaps. This whole bottle will cover 1,000 square feet (20' x 50'). One quarter of the bottle (see markings on the side) will cover 250 square feet (10' x 25' or a border 5' x 50'). Water the area with clear water for about ½ hour after treating.

**For Barkdust Areas Or Other Mulch Covers:** Wet the area well with clear water before spraying with WEED STOPPER HOSE 'EM. Water again afterwards.

#### What Not To Do:

Do not use WEED STOPPER HOSE 'EM around vegetables, fruits or other edible plants. Do not use on lawns or dichondra. Do not treat steep areas, where product may move downhill. Do not use over newly planted ice plant. Wait several weeks, until ice plant is well rooted, before applying WEED STOPPER HOSE 'EM.

Do not use this product around these plants; they will be damaged: Techny arborvitae, Eastern (Canada) hemlock, or Slender deutzia.

Once an area is treated, do not dig in or otherwise disturb the soil surface. Weeds may pop up. Do not plant seeds, seedlings or other shallow rooted plants in a treated area until 4 months have passed. They may be damaged.

WEED STOPPER HOSE 'EM is orange in color. It will stain paint, stucco, wood, cement, brick, gravel clothing and many other surfaces around the house. Do not allow this product to contact any of these. Do not allow adults, children or pets back onto the sprayed area until it has dried.

#### What Will I See?

You will see beautiful flower beds with no weeds to spoil the view. You will see clean, tidy shrub beds, and weeds will no longer spring up around trees, in gravel walkways and driveways.

---

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Avoid freezing. Store above 40°F. Store in original container only and keep in a locked storage area out of reach of children and domestic animals. Rinse equipment thoroughly with water after using.

**CONTAINER DISPOSAL:** **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

### NOTICE TO BUYER

Seller warrants this product conforms to its chemical description on this label and is reasonably fit for the purposes stated on this label when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either express or implied.
