U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (7505C)  
401 "M" St. S.W.  
Washington, D.C. 20460

EPA Reg. Number

54705-12

Date of Issuance

JUL 1 2003

Term of Issuance Conditional

Name of Pesticide Product

Hose'em Yard Insect Spray

**NOTICE OF PESTICIDE:**

Registration

Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Lynne Zahigian Regulatory Consulting  
6650 Wade Lane  
Stagecoach, NV 89429-8443

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. **Make the following labeling changes:**
  - a) Revise the EPA Registration Number to read "EPA Reg. No. 54705-12 "
3. Please submit two (2) copies of your final printed label for before your release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

**KEEP OUT OF REACH OF CHILDREN  
 CAUTION**

FIRST AID	
<b>If On Skin</b>	• Take off contaminated clothing.
<b>Or Clothing:</b>	• Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment information.	

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** May be harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Do not spray animals. People and pets should not be allowed in treated areas until spray has dried

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to fish. Do not apply directly to water. Drifts and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water when disposing of equipment washwaters.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read all directions carefully before applying. Shake container well before use. People and pets should not be allowed in treated areas until spray has dried.

HOSE 'EM YARD INSECT SPRAY controls troublesome outdoor insects which harm lawns and gardens and are an annoyance on patios and other outside areas.

HOSE 'EM YARD INSECT SPRAY reduces annoying and troublesome outdoor insects that appear during outdoor activities.

Apply HOSE 'EM YARD INSECT SPRAY when insects first appear and repeat as necessary, but not more frequently than every 3 days.

**WHERE & HOW TO USE:**

**LAWNS** (Bent, Bermuda, Bluegrass, Dichondra, Fescue, Irish Moss, Merion and St. Augustine)

**Pests Controlled:** Ants, Armyworms, Brown dog ticks, Chinch bugs, Crickets, Cutworms, Deer ticks, Fleas, Grasshoppers, Japanese beetle grubs, Mole crickets and Sod webworms.

Thoroughly wet down grass a few hours before applying. For heavy infestation, repeat application after 2 weeks. 32 Fl. Oz. (1 Qt.) treats 3,000 sq. ft. of lawn.

**TREES, SHRUBS, ROSES & FLOWERS** (Agertum, Aster, Arizona Cypress, Azalea, Begonia, Birch, Non-Bearing Citrus, Coleus, Common Ninebark and Snowberry, Conifers, Elm, English Ivy, Euonymus, Exacum, Fir, Gladiolus, Gold Bells, Honeysuckle, Hypoestes, Ivy, Lilac, Marigold, Mock-Orange, Nannyberry, Oak, Orchid, Palm, Pansy, Pea Shrub, Petunia, Philodendron, Pine, Poinsettia, Poplar, Rhododendron, Rose, Snapdragon, Taxus, Tulip, Weeping Fig and Zinnia)

**Pests Controlled:** Aphids, Bagworms, Cicadas, Exposed thrips, Fall cankerworms, Inchworms, Leafminers, Mealybugs, Spider mites and Whiteflies.

Apply by thoroughly wetting all sides of leaves and branches and making sure to penetrate dense foliage. Spray late in the afternoon or evening, when temperatures range from 50 to 75°F and when there is little or no wind. Spray at the first sign of insects. To maintain effectiveness, spray as reinfestation occurs, but use intervals of 4 - 8 days.

**BARRIER SPRAY FOR NUISANCE INSECTS:**

Reduces annoying nuisance pests such as: Ants, Clover mites, Cluster flies, Crickets, Earwigs, Fleas, Flying moths, Gnats, House flies, Millipedes, Mosquitoes, Sowbugs (pillbugs), Spiders, Tent caterpillars, Ticks.

**Outside Surfaces of Buildings:** To help prevent infestation of buildings, treat the building foundation to a height of 2 to 3 feet, where insects are active and may find entrance. Also, apply as a residual spray to outside surfaces of buildings, including porches, screens, window frames, eaves, patios, picnic areas, garages, refuse piles, and other areas where these insects congregate or have been seen. To maintain effectiveness, reapply as reinfestation occurs.

**Other Outside Areas:** To aid in the reduction of annoying flying insects, spray outside surfaces of screens, doors, window frames, around outdoor light fixtures, under patio furniture, in garages and other places where these insects alight or congregate. To treat localized infestation of insects in areas where there are weeds, shrubs or bushes, spray areas thoroughly. For ants, thoroughly wet hills and runways. Reapply as reinfestation occurs.

**HOW TO USE THIS HOSE-END SPRAYER:** Shake Container Well Before Getting Started

1. Before you start, the blue flow switch should be in the "OFF" position, and the red flow switch should be in the up, "CLOSED" position.
2. Shake container well and attach it to your garden hose, while holding sprayer at waist level and pointing in a direction away from face and body.
3. Turn on water from the faucet.
4. When you are ready to spray, turn the blue flow switch to "ON" position; turn red flow switch to the forward, "OPEN" position; and begin spraying.
5. When you are finished spraying or if you have to stop spraying at any time, turn the blue flow switch back to the "OFF" and the red flow switch to the "CLOSED" position.

6. Turn off the water at the faucet.
7. Remove the container from the garden hose; then rinse thoroughly and store according to storage instructions.

### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool dry place, preferably a locked storage area out of reach of children and domestic animals. Store above freezing. Rinse equipment thoroughly with water after using. Store with container tightly closed. Avoid contamination of food, feed, and domestic water supplies.

**CONTAINER DISPOSAL:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

### NOTICE TO BUYER

Seller warrants this product conforms to its chemical description on this label and is reasonably fit for the purposes stated on this label when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either express or implied.

### [OPTIONAL HOSE-END SPRAYER DIRECTIONS]

1. Make sure knob is twisted fully clockwise to OFF position. Shake well before attaching to hose.
2. Turn Product Control Button clockwise until its point aligns with triangle, then push all the way in. Avoid squeezing bottle.
3. Turn water on at faucet, aim nozzle toward lawn and turn knob counter clockwise to begin spraying.
4. When finished push Product Control Button to OFF position from opposite side. Return knob and faucet to OFF position.
5. Discharge water pressure by turning knob ON and OFF again.
6. Turn Product Control Button counter clockwise away from triangle to prevent accidental discharge.
7. Rinse container thoroughly and store according to Storage Instructions.
