NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

**BEST AVAILABLE COPY**

This product is conditionally registered in accordance with section 3(c)(7)(A) of FIFRA subject to the following conditions.

1) It is understood that you will submit and/or file all data required for registration or reregistration of your product under Section 3(c)(7) of FIFRA when the Agency requires all registrants of similar products to submit such data.

2) The registration number which has been assigned to this product must appear on the label as "EPA Registration No. 54735-3".

3) You will submit the design of finished printed labels before you release the product for shipment as required by PE Notice 82-2 of June 18, 1982. Your finished printed labels must also comply with the general labeling requirements of 40 CFR §162.10. Refer to the A-70 enclosure for a description of finished printed labeling.

A sample copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(a) of FIFRA.
