Dear Mr. Moorhead:

Subject: Senaspore C  
 EPA Registration No. 54735-4  
 Your Letter Dated July 6, 1988

We regret that there was an oversight in our part. We did receive copies of your Senaspore C and Senaspore HC labels; however, you neglected to add the complete EPA Registration Numbers to them. This must be done before you ship the product for sale.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Sincerely yours,

Phil Hutton  
 Product Manager (17)  
 Insecticide-Rodenticide Branch  
 Registration Division (TS-767C)
