Dear Mr. Moorhead:

Subject: Senaspore HC
EPA Registration No. 54735-6
Your Letter Dated July 6, 1988

We regret that there was an oversight on our part. We did receive copies of your Senaspore C and Senaspore HC labels; however, you neglected to add the complete EPA Registration Numbers to them. This must be done before you ship the product for sale.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Sincerely yours,
