Subject: Granular Stabilized Concentrated Dry Granular Chlorinating Product  
EPA Reg. No. 54998-2  
Application Dated: July 27, 2011  
Receipt Date: August 15, 2011

Dear Ms. Evans:

The following notification submitted in connection with registration under the provisions of PR Notice 98-10, Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)9 is acceptable.

**Proposed Notification:**

- Revision of Container Disposal statements per PR Notice 2007-4

**Comments:**

Based on a review of the material submitted, the following comments apply:

Delete the statement "Rinse thoroughly before discarding." as residue removal instructions are not required for residential products.

This application for notification to revise the product label, as referenced above, is acceptable. A copy has been placed in our records for future reference.

Should you have any questions or comments concerning this letter, please contact me at [harris.monisha@epa.gov](mailto:harris.monisha@epa.gov) or call (703) 308-0410.

Sincerely,

Monisha Harris  
District Manager (32)

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.  
DANGER: CORROSIVE: Causes irreversible eye damage. May be fatal if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin, or on clothing. Do not breathe dust, vapor or spray mist. Wear goggles, face shield or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying

the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS: STRONG OXIDIZING AGENT. Mix only with water. Always add chemical to water, NEVER water to chemical. Use

clean, dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion.

#### FIRST AID

If swallowed:

- Call a poison control center, or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.
- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN

- Probable mucosal damage may contraindicate the use of gastric lavage.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labelling.

*(Directions for use for swimming pool sanitization)*

CONDITIONED POOLS

Bathers should not enter the treated water until the chlorine level has dropped to 3 ppm or less.

Every day, add 2oz of Granular per 10,000 gallons of pool water. Disperse into the deep end of the pool in the early morning or late evening. Maintain a reading on a test kit of 1.0 - 1.5 ppm of available chlorine. Keep pH between 7.2 and 7.6. Use pH Up or pH Down as required.

*(Directions for use for spa/hot tub sanitization)*

SPA AND HOT TUBS

Reentry into the treated spa is prohibited above levels of 5 ppm chlorine due to risk of body injury. When used as directed, this product is effective as a spa and hot tub water sanitizing agent.

Ensure all spa and hot tub equipment is working properly. Backwash/clean the filter system following manufacturer's directions. Adjust pH to between 7.2-7.6. When using other products as outlined in the directions for this product, always follow directions on those products.

With pump on, add 1/2 teaspoon of this product per 100 gallons of water (or 5 teaspoons per 1,000 gallons) as initial treatment. Repeat at 15 to 20 minute intervals until a residual of 3-5 ppm of available chlorine is established as determined by test kit or test strips. Testing must be performed regularly to determine the frequency of additional doses of this product needed to maintain the chlorine residual of 3-5 ppm.

( ( 7  
—  
7  
SUPERCHLORINATION: Use one teaspoon of this product per 100 gallons of water (or 1/4 cup per 1,000 gallons). Superchlorination may be needed on a nightly basis in a heavily used spa or as infrequently as once a week in a moderately used spa.

STORAGE AND DISPOSAL: Store in original container in locked storage area. Keep this product dry in a tightly closed container when not in use. Store in a cool, dry and well ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood with large amounts of water to dissolve all material before discarding. Non-refillable container. Do not reuse or refill container. Rinse thoroughly before discarding. Securely wrap original container in several layers of newspaper and discard in trash or offer for recycling if available.
