Brom-Aid

BROM-AID is a solution of bromide salts which is activated by the addition of ENERGIZE. Bromine is released by the regular addition of ENERGIZE into the Spa/Hot Tub water containing BROM-AID.

BROM-AID alone has no disinfectant properties but requires ENERGIZE to release the bromine. It has a two step process. Follow the directions on the ENERGIZE label.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with it's labeling.

Initial treatment:

- 1. Turn on the filtration system to circulate the water. 2. Treat Spa/Hot Tub with Prevent II before the addition of BROM-AID or ENERGIZE. Let water circulate for 30 minutes. 3. Add 5 ounces of BROM-AID per 250 gallons of water directly into the Spa/Hot Tub. 4. Add ENERGIZE as directed.

Weekly Treatment:

Add one ounce of BROM-AID per 250 gallons of water.

Due to varying bathing loads and frequency of use, Spa/Hot Tub water should be tested to maintain a bromine residual level of 2-3 PPM. During heavy use, increase the addition of BROM-AID and ENERGIZE to maintain this level.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes or clothing.

FIRST AID

Table with 2 columns: Condition (e.g., If swallowed, If in eyes) and First Aid instructions (e.g., Call a poison control center, Hold eye open and rinse slowly).

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge.

STORAGE AND DISPOSAL

STORAGE: Store in original container in locked storage area. Do not contaminate water, food, or feed by storage or disposal.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) and offer for recycling or securely wrap container in several layers of newspaper and discard in trash.
