

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 55137-2	DATE OF ISSUANCE 22 SEP 1988
	TERM OF ISSUANCE	
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREГИSTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</i>	NAME OF PESTICIDE PRODUCT BIO-PERSE 113	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Southern Engineers
 P.O. Box 2499
 Metairie, LA 70002

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(a)(2)(A) provided that you:

1. comply with all data requirements for registration/reregistration of your product under FIFRA section 3(a)(5) and the Agency requires all registration/reregistration data to be submitted to the Agency.

2. include on the "EPA Registration No. 55137-2" on the label of the product the following statement:

"This product is conditionally registered. Your final printed label must be submitted to the Agency for approval. Refer to the A-22 enclosure for details on registration/reregistration procedures."

If the conditions are not complied with, the registration of the product will be cancelled in accordance with FIFRA section 3(d). Your attention is directed to the fact that acceptance of conditional registration does not constitute approval of the label for use.

A copy of the label is enclosed for your records.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Keep out of lakes, streams, or ponds. Permits may be required for discharges containing this pesticide into lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

**DIRECTIONS FOR
GENERAL CLASS**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

BIOSPERSE 113

and fungi in recirculating commercial and industrial air conditioning systems. Upon its use, systems must be cleaned to remove slime, and other deposits. An initial slug addition of BIOSPERSE 113 fluid ounces of BIOSPERSE 113 of water to provide a concentration of 12

BIOSPERSE 113

in the system, is recommended. Repeat initial slug additions of 0.3

BIOSPERSE 113 per 10

31 parts per million of BIOSPERSE 113

employed every 2 to 5 days, or as needed.

upon the relative amount of bleedoff and the severity of the problem. Slug additions should be made in the form of BIOSPERSE 113 is

BIOSPERSE 113 is

air-washing systems that maintain effective flow. Upon its use, systems should be cleaned to remove deposits. An initial slug dose of 5.2

BIOSPERSE 113

is recommended. Repeat initial dosage until control is achieved. Additions of 3.5 to 5.2 fluid ounces of BIOSPERSE 113

per 1000 gallons of water should be employed. The frequency of addition depends upon the relative severity of the bacterial problem. Slug additions may be made to collection trays of the air-wash system.

STORAGE AND

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Do not stack more than four drums high. Leak-free drums for disposal. Spills should be absorbed in sawdust or other inert material. Container closed when not in use.

PESTICIDE DISPOSAL: Wastes resulting from the use of this pesticide should be disposed of at a government approved waste disposal facility.

CONTAINER DISPOSAL:

PLASTIC: Triple rinse (or equivalent). Then offer for recycling or incineration, or, if allowed by state and local authorities, by sanitary landfill, by incineration, or, if allowed by state and local authorities, by smoke.

METAL: Triple rinse (or equivalent). Then offer for recycling or incineration, or, if allowed by state and local authorities, by sanitary landfill, or by other procedures approved by state and local authorities.
