JULY 13,
1999

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance:
Conditional

(under FIFRA, as amended)

Name of Pesticide Product:
ADOR TOILET BOWL
CLEANER

Name and Address of Registrant (include ZIP Code):

NATIONAL PRODUCTS, INC.
P.O. BOX 1701
LAPORTE, IN 46352

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 55179-3."
- b. Revise the precautionary statement to read as follows:

Corrosive. Causes irreversible eye damage or skin burn. May be fatal if swallowed. Harmful if absorbed through skin or inhaled. Do not in eyes, on skin or on clothing. Avoid breathing spray mist. Wear goggles or face

Date: JULY 13, 1999

Shield. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

- c. Add the following additional statements to the first aid statement. The statements must be listed in order of toxicity, i.e. If swallowed; If on skin; If inhaled and If in eyes:

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

- d. **IF IN EYES:** Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.

The following statement must appear separate from, but in close proximity to the first aid statement:

"Note to Physician (doctor): Probable mucosal damage may contraindicate the use of gastric lavage."

3. The storage and disposal statement are not adequate for this type of product. Refer to PR notices 83-3 and 84-1 for guidance and appropriate "Storage and Disposal Statement.

4. For containers larger than one gallon, the appropriate environmental hazard statement must be added to the label under the heading "**ENVIRONMENTAL HAZARDS.**"

5. Refer to EPA letter dated June 18, 1999, section I with respect to the confidential statement of formula (CSF) and label claim for active ingredient. The CSF and label active ingredient percentage must be in agreement. Either revise the CSF or label so that their are in agreement.

6. Submit three copies of the revised final printed label for the record.

3045

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Adam Heyward

50/5

ADORN
Toilet Bowl Cleaner

Cleans, Disinfects, Deodorizes, and Removes Tough, Stubborn Rust and Hard Water Stains.

Adorn cleans, disinfects, and deodorizes even under the rim. This thick formula allows the product to cling to the surface, kills common household germs, and quickly eliminates toilet rings, hard water stains, mineral deposits and rust stains. Leaves a light fresh scent. Will not harm plumbing or septic tanks. Kills Staphylococcus aureus (Staph), Salmonella choleraesuis (Salmonella), Pseudomonas aeruginosa, Escherichia coli, Rhinovirus type 37, and Influenza virus type A2 Hong Kong on hard, nonporous, inanimate surfaces.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

CHILD RESISTANT CAP INSTRUCTIONS: **To Open**, squeeze cap sides at flat spots as indicated by arrows and turn counter clockwise. Unscrew and remove cap. **To Close**, screw protective cap tightly after using.

General Cleaning: Remove cap, Squeeze gently, directing bowl cleaner under rim and on sides of bowl. Brush clean and flush toilet. Replace cap. Rinse brush with clean water.

To Disinfect Bowls: Remove water from the bowl. Squeeze gently 1 oz. of bowl cleaner onto bowl brush. Clean entire unit, especially under rim at water outlets. Allow to remain 10 minutes. Flush and rinse out bowl with clean water. A preliminary cleaning is necessary for the removal of heavy soil prior to disinfection.

PRECAUTIONARY STATEMENTS: HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS.

DANGER: CORROSIVE: Causes irreversible eye damage and skin burns. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wear safety glasses and rubber gloves. Wash thoroughly with soap and water after handling. Removing contaminated clothing and wash clothing before reuse.

CHEMICAL HAZARDS: Never use with chlorine products. Can react to give chlorine gas. If this occurs, flush toilet to remove chemicals and leave area. Do not return for half hour. Ventilate if possible. Never use or mix with other cleaners or chemicals.

FIRST AID: IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention. **IF SWALLOWED:** Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

STORAGE AND DISPOSAL: Store in an area inaccessible to children. Do not reuse empty container. Wrap empty containers in plastic bag and discard in trash.
