Fort Wayne, IN 46899

Attention: P.J. Miller-David

Gentlemen:

BEST AVAILABLE COPY

Subject: AMALGAMATED BIOCIDES-FSP-55/JF
EPA Registration No. 55250-1
Your Submission Dated December 16, 1986

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Delete "100% Biobor[®] JF Composition" from below the product name. We would have no objection to "FSP-55/JF is composed entirely of Biobor[®] JF" or "Product composed entirely of Biobor[®] JF" below the ingredient statement. See your last accepted label.
 - b. The 16 fluid ounce container must have a container disposal instruction similar to: Disposal. Do not reuse empty container. Wrap container and discard in trash.
 - c. The company name and address must be on the bottom front panel or at the end of the label text back panel.
 - d. On the front panel under the signal word, add the statement "See back panel for additional precautionary statements." Also the Statement of Practical Treatment must appear on the back panel. You may wish to delete the name of the product on the back panel to obtain more room.

AMALGAMATED™
BIOCIDE FSP-55/JF

ACTIVE INGREDIENTS: 100% BIOBOR® JF Composition

2,2' (1-methyl-2-methylendioxyl) bis
 (4-methyl-5, 2-dioxaborinane) 67% by wt
 2,2' oxyle (4, 4, 4-trimethyl-1, 3, 2-dioxaborinane) 27% by wt
 INERT INGREDIENTS 8% by wt

Direct contact with water must be avoided. FSP-55/JF must be blended
 (Agitated) into the fuel phase only, and not into water bottom areas.
 FSP-55/JF is soluble in both fuel and water, and is designed to migrate
 from the fuel phase to the water phase for complete control of fungus.

WARNING: Harmful or fatal if swallowed. Avoid contact with
 skin and clothing. Do not get in eyes. IF SWALLOWED, call
 a physician. IF ON SKIN, wash thoroughly with soap and water.
 Keep out of lakes, ponds or streams. Do not use or store near
 heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this
 product in a manner inconsistent with
 its labeling.
