Attention: James Swins

Gentlemen:

Subject: CONTROL III LABORATORY GERMICIDE  
EPA Registration No. 55364-4  
Your Amendment Application Dated June 1, 1987

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. On the front panel the signal word WARNING must be in larger type size than the "Keep Out of Reach of Children" and placed below the child hazard statement (see enclosure).
  - b. On the front panel place the company name, preceded by the term "manufactured by," above the company address. (Note the new name of this company is Maril Products, Inc. which is the manufacturer and is not a distributor. Therefore, the requested term "Distributed by Maril Products" cannot be granted.)
  - c. On the left panel add after the word "interdigitale" the following statement "on inanimate hard surfaces."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment.
