Mr. Hubert Fox
M&M Products Co., Inc.
4231 Wire Road
Batesburg, SC 29006

Subject: Impact Roach Bait
EPA Reg No.: 55773-1
Submission undated, received 9-24-01

Dear Mr. Fox:

The revised product labeling referred to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided you make the labeling change indicated below before you release the product for shipment bearing the amended labeling:

- On the front panel under the statement "For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator's certification." add the statement: "Only for use in industrial plants, manufacturing plants, food processing plants, ship holds, railroad boxcars, or warehouses."
- The reference to "commercial" buildings (column on the right hand side of the label) must be revised to state the use sites are only industrial plants, manufacturing plants, food processing plants, ship holds, or railroad boxcars. "Commercial buildings" could include child care centers and or other sites that the Agency specifically wishes to delete as use sites for this insecticide.

Submit one copy of the revised final printed label before releasing the product for shipment. If you have questions, please contact me at (703) 308-6742 or electronically at mcneilly.dennis@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis McNeilly".

Dennis McNeilly, Chemist

registered under EPA Reg. No.

55773-1

Impact
Roach Bait
KILLS ROACHES AND WATERBUGS

2/3

IMPACT ROACH BAIT IS A HIGHLY SWEETENED
INSECTICIDE TREATED BAIT FOR KILLING
GERMAN (WATERBUGS) & AMERICAN
COCKROACHES

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
(AND DOMESTIC ANIMALS)**

CAUTION

May be harmful if swallowed or absorbed through the skin. Do not contaminate food, feed, water, food containers or cooking utensils. Do not apply to areas accessible to children or domestic animals. Avoid contact with eyes, skin, or clothing. Wash thoroughly after handling.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

STATEMENT OF PRACTICAL TREATMENT

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

IF SWALLOWED: Have patient drink 1 to 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Get medical attention.
IF ON SKIN: Wash skin immediately with soap and warm water.

IF IN EYES: Flush contaminated eyes with plenty of water and get medical attention if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

GENERAL: FOR USE IN AND AROUND COMMERCIAL AND INDUSTRIAL BUILDINGS AND WAREHOUSES.

Apply bait in teaspoon amounts in a suitable bait station. Locate stations where roaches have been observed. Place 4 to 6 bait stations per 100 sq. ft. of area. Replacement of bait should be made at 4 to 6 week intervals. Place stations in locations that are not accessible to children and domestic animals. Repeat as necessary. If German roaches (waterbugs) are the main target species, place bait stations at more frequent intervals for more effective control. May also be used as a scatter bait in areas not accessible to children and domestic animals.

WARRANTY STATEMENT

CONDITIONS OF SALE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use/or handling of this material when such use and/or handling is contrary to label instructions.
