DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Avoid heavy buildup of organic material in bowl - brush and flush as necessary.

Product is no longer effective when bowl water does not turn blue* after flushing.

EASY TO USE:

1. Remove toilet tank cover.
2. Hold bottle upright over tank and pull out clip. Remove cap.
3. Hang bottle upside down on inside tank wall away from moving parts.

CAUTION: CONTAINS NONIONIC SURFACTANTS. If eye contact occurs, flush thoroughly with water. If irritation persists, contact a physician. Keep out of reach of children.

STORAGE AND DISPOSAL:

Store in original container. Do not reuse empty container; wrap empty container and place in trash.
