**DIRECTIONS FOR USE**

This is a warning of Federal law - Misbranding - A false or false statement with respect to labeling.

Remove protective label. Aim spray opening away from person. Pull trigger to spray. **FOR HOUSEHOLD AND INDUSTRIAL USE INDOOR AND AROUND PREMISES**

**INDOORS** Kill WASPS, HORNETS, YELLOW JACKETS, BEES. Application should be made late in the evening when insects are active. Spray liberally into hiding and breeding places, particularly under eaves contacting as many insects as possible. Saturate areas of and around nest openings. Repeat as necessary.

**OUTDOORS** Apply as an initial spray. Spray directly on insects. Aim spray opening away from person. Avoid spraying plants, flowers, etc. Spray treated areas.

Kill WASPS, HORNETS, YELLOW JACKETS, BEES. Same as for indoor use. Aim spray at nest openings, eaves, bushes, under eaves, chimneys, attics and crevices to saturate and around the nest openings. Contact as many insects as possible. Repeat as necessary.

**CAUTION** - Do not use in vicinity of children.

**DISPOSAL** - Do not reuse empty container. Wrap container and put in trash collection.

**PRECAUTIONARY STATEMENTS**

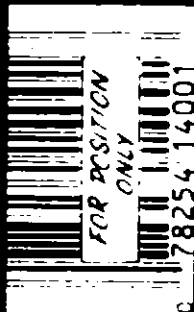

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION** - Irritant. If swallowed, do not induce vomiting. Avoid breathing vapors or dusts. Avoid contact with skin or eyes. In case of contact, wash immediately with plenty of water. Obtain medical attention in case of serious contact. Do not use on or near children. Do not induce vomiting. Call a physician immediately.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food or food processing equipment during application. Do not apply to food processing, packaging facilities and equipment in federally inspected meat and poultry plants. All equipment should be washed with an effective cleaning compound followed by a good water rinse after spraying. In the home, all food processing surfaces and utensils should be cleaned during treatment or thoroughly washed before use. Remove birds, pets and children to other areas before spraying.

**PHYSICAL AND CHEMICAL HAZARDS**

Contains under pressure. Do not puncture. DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerate.
