Stauffer Household Products.
WESTPORT, CT. 06881-0850

STATEMENT OF PRACTICAL TREATMENT

Immediately start the procedures given below. If further treatment is needed, contact a Poison Center, a Physician, the nearest hospital, or Stauffer Medical Emergency Assistance (203) 226-6602.

If in eyes, hold eyelids apart, flush with large amounts of running water for at least 15 minutes, and get medical attention.

If on skin, wash thoroughly with plenty of soap and water. Remove and clean contaminated clothing.

If swallowed, immediately give several glasses of water but do not make person vomit. Contact a physician immediately.

Note to Medical Personnel: For emergency medical information, contact a Poison Center, a Physician, or call (203) 226-6602. This product contains a petroleum solvent and also is a cholinesterase inhibitor. If symptoms of cholinesterase inhibition develop, atropine by injection is antidotal 2-PAM is also antidotal but only when given in conjunction with atropine.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

- Harmful if swallowed or absorbed through the skin.
- Avoid breathing spray mist.
- Causes moderate eye irritation. Do not get in eyes, on skin, or on clothing.
- Wash thoroughly after handling and before eating or smoking.
- Wash all contaminated clothing with soap and hot water before re-use.
- Avoid contamination of food, feed, or water supplies.

ENVIRONMENTAL HAZARDS

- This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.
- Do not apply when weather conditions favor drift from area treated.

PHYSICAL HAZARDS

- Combustible. Do not use product or store container near heat or open flame.

STORAGE AND DISPOSAL

STORAGE: Protect from temperatures below 42°F. At temperatures below 42°F, product may crystallize. Dissolve crystals with quiet storage at warm temperatures (60°F). Shake well before using.

CONTAINER DISPOSAL: Securely wrap original container, including any unused product, in several layers of newspaper and discard in trash.

GENERAL USE PRECAUTIONS

- . READ ALL DIRECTIONS AND SHAKE WELL BEFORE USING.
- . Do not allow children or pets on treated lawns until grass is completely dry.
- . Do not apply peat moss to lawn before treating with STAUFFER LAWN CARE Crabgrass Preventer.
- . For use on lawns only.

PRODUCT INFORMATION

For use on grass and dichondra lawns for control of crabgrass. STAUFFER LAWN CARE Crabgrass Preventer can be applied to dichondra lawns at the time of seeding or any time thereafter. On grass lawns do not reseed within 4 months after application.

Where germination of crabgrass extends into the late summer and early fall, a second application of STAUFFER LAWN CARE should be made 4 to 5 months after the initial application.

Application of this product must precede emergence of weeds from the soil. Crabgrass will emerge from the soil from 4 to 6 weeks before it is visible above lawn sod. If weeds are visible above the soil, it is too late to apply STAUFFER LAWN CARE Crabgrass Preventer.

Remove leaves, dead tall grass, and other debris before application.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SPECIAL DELIVERY™
Crabgrass Preventer

4.
