Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read: "EPA Reg. No. 56077-56".
 - b. Delete the redundant heading "STATEMENT OF PRACTICAL TREATMENT" that currently appears immediately above the heading, "FIRST AID."
 - c. Revise the beginning of the "Hazards to Humans and Domestic Animals" section as follows: Delete the duplicated statement "Harmful if swallowed" and insert the missing word "or" in the first sentence, so that it reads: "Harmful if swallowed, absorbed through skin or inhaled."
3. Submit two copies of the revised final printed label for the record before you release the product for shipment.
