US ENVIRONMENTAL PROTECTION AGENCY  
OFFICE OF PESTICIDES PROGRAMS  
REGISTRATION DIVISION (TS-767)  
WASHINGTON, DC 20460

EPA REGISTRATION NO.

56095-2

APR 29 1988

TERM OF ISSUANCE

NOTICE OF PESTICIDE:  REGISTRATION  
 REREISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

CIDE-SWIPES C-100A

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Lab Products, Inc./LBA, Inc.  
255 West Spring Valley Avenue  
Maywood, NJ 07607

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

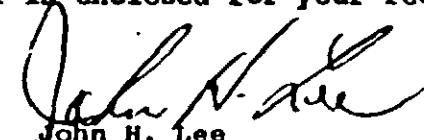

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

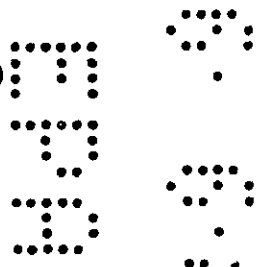

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 56095-2" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Attention: Les Anderson

Gentlemen:

Subject: CIDE SWIPES C 100A  
EPA Registration No. 56095-2  
EPA Notice of Registration Dated April 29, 1988

A rereview of the April 29, 1988 Notice of Registration for the above-named product indicates that this product label does not list the major area(s) for use (e.g., homes, schools, hospitals). This SITE/PEST information must appear on each label.

Five copies of the corrected labels which show the areas of use must be submitted for our acceptance.

If final printed labels, as stated in the April 29, 1988 Notice of Registration, have already been printed "paste on" labels stating the desired site/pest areas may be used until the first set of printed labels have been exhausted or within 6 months from the date of this letter, whichever comes first.

If you have any questions concerning this letter, please call Mr. Robert Young at (703) 557-3966.

Sincerely yours,

John H. Lee  
Product Manager (31)  
Disinfectants Branch  
Registration Division (TC-757C)

◀ PEEL HERE

# C-100A CIDE-SWIPES™

• DISINFECTANT  
• VIRUCIDE\*  
• CLEANER

Contents: 1 Towellette (Net wgt. 0.58 oz.) (16.5 gms.)

Cide-Swipes are pre-saturated  
wipes containing known  
antibacterial and antiviral agents

Active Ingredient	0.24%
GLUTARAL DEHYDE	
Inert Ingredients**	99.76%
<small>(Does not include weight of dry moisture)</small>	

#### TO USE:

- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Peel back protective wrap. Allow enclosed towel to unfold by holding two corners of package and gently shaking. Use package as a protective applicator. Wipe surface and allow to remain wet for 60 seconds. Each towel cleans and disinfects a surface area 40 times its size.

SEE PRODUCT INFORMATION SHEET FOR ADDITIONAL INSTRUCTIONS

#### CAUTION:

- May cause eye and skin irritation upon contact. In case of contact with eye or skin, flush thoroughly with water. If irritation persists, contact a physician.
- Avoid contact with food.
- Keep packaged towel in dry area. Do not open until ready to use. Do not re-use towel. Discard after use.

#### KEEP OUT OF REACH OF CHILDREN

Cide Swipes are effective as a virucide against Poliovirus Type 1 for a 15 minute contact time on a pre-cleaned hard nonporous surface.
