Mr. Phil Hutton
Product Manager (17)
Insecticide/Rodenticide Branch
Registration Division (H 7505 C)

SUBJECT: P.A.C.-V Insecticide
EPA Registration No. 56097-1
Your finished printed labels received by the agency
April 22, 1988.

Dear Mr. Hutton:

The labeling submitted in connection with the Federal Insecticide, Fungicide and Insecticide Act, as amended, is acceptable provided that you make the following change on your next set of printed labels:

The ENVIRONMENTAL HAZARDS statement has been updated, therefore, change the statement "Do not contaminate water by cleaning of equipment or disposal of wastes." to read "Do not contaminate water when disposing of equipment washwaters."

A stamped approved label is enclosed for your records.

Submit five (5) copies of your next set of printed labels.

Sincerely,

Phil Hutton

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

WARNING: Handle & store in well-ventilated area. Avoid breathing vapors. May cause eye injury. Do not get in eyes. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.
 Do not apply directly to food or feedstuffs. In commercial food handling facilities, cover or remove any food or food processing equipment during application. For space spraying, do not apply while food processing is underway. After space spraying in butcher and other food processing plants, wash all equipment, vessels, clothing, etc. where exposed food will be handled, thoroughly with and effective cleaner compound and rinse with potable water. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove pets, and cover fish aquariums before space spraying.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. This product contains petroleum solvent. Aspiration may be a hazard.
IF IN EYES: Flush with plenty of water. Get medical attention.
IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL AND CHEMICAL HAZARDS

Flammable: Do not use or store near heat, or open flame. Do not use in the vicinity of pilot lights. Flash point minimum of 89°F (32°C).

INSTRUCTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: This material may solidify upon standing, even at room temperature. Thoroughly mix before each use. Do not expose to temperatures below 40°F (4.0°C). If exposed to temperatures below 40°F (4.0°C), allow to stand until product reaches room temperature and thoroughly mix before using. **DO NOT USE OPEN FLAME.**
PERMITS REQUIRED: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: For Containers 1 Gallon and Under: Do not reuse empty container. Wrap container and put in trash.
 For Containers Over 1 Gallon: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or purchase and dispose of in a sanitary landfill, or by other procedures approved by State and Local authorities.
