

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number: 56194-1

Date of Issuance:

NOTICE OF PESTICIDE:
Registration
[X] Reregistration

Term of Issuance: Unconditional

Name of Pesticide Product: Insect-Aside d.e.

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Safe Organic Environment, Inc.
309 Ridgewood
Richardson, TX 75080

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. With regards to labeling, you must make the labeling changes listed below and those requested with respect to the last accepted label dated October 20, 1993.

- 1. The ingredient statement should be revised in the following format:

ACTIVE INGREDIENTS:

Silicon Dioxide, from diatomaceous earth.....85%
Other Elemental Oxides.....10%
Moisture.....5%
Total.....100%

- 2. Under the Hazards to Humans and Domestic Animals, please revise as follows:

CAUTION: Causes moderate eye irritation. Avoid contact with eyes. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure.

Signature of Approving Official:

Date:

SEP 30 1993

EPA Form 8570-6

CONCURRENCES

Table with columns for SYMBOL, SURNAME, and DATE, containing a signature and empty rows for other officials.

3. Base on the acute eye irritation toxicity, the following Statement of Practical Treatment section must be added to the label.

IF IN EYES: Flush with plenty of water. Call a physician if irritation persists.

Submit three copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

This action is taken under the authority of Section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for control reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Sincerely yours,

George T. LaRocca  
Product Manager 13  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

# Insect-aside

Safe Organic Environment, Inc.  
**Roach Killer (Diatomaceous Earth)**

Kills by physical, not chemical action

#### FRASISE

Diatomaceous earth is a naturally occurring, soft sedimentary rock consisting of fossilized diatoms. It is composed of the remains of diatoms, a type of microalgae that grows in water.

#### HOW DOES IT WORK:

The microscopic sharp shells of diatomite scratch the wax coating of the insect's skeleton causing the insect to lose moisture and die. D.E. does not kill instantly. Death by dehydration takes about 12 hours.

#### INGREDIENTS:

Silicon Dioxide, from diatomaceous earth . . . . . 85%  
Other ingredients, including moisture . . . . . 15%

#### CAUTION

**KEEP OUT OF REACH OF CHILDREN**

See precautionary statement on back

**NET WT. 8 LBS.**

# Insect-aside d.e.

#### DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner that is inconsistent with its label.

Apply dust in cracks, crevices, around baseboards and other places where roaches hide. Apply behind and beneath cabinets, sinks, appliances, furniture and in and around waste containers.

#### PRECAUTIONARY STATEMENTS

##### Hazardous to Humans and Domestic Animals

Avoid breathing the dust. If in eyes, flush with clean water. Call a physician if irritation persists.

#### DISPOSAL:

Do not reuse empty container. Wrap container in paper and place in trash collection.
