Dear Mr. Seeley:

Subject: Compound 1080 (LPC)
EPA Registration Number: 56228-26
Label Amendment Proposed on June 4, 2012

The proposed label submitted for this product on June 4, 2012, is accepted under the provisions of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended. A stamped copy of the label is enclosed for your records.

The change listed below should be incorporated onto the final printed label.

1. The heading for the second paragraph of text in the "**STORAGE AND DISPOSAL:**" box should be changed from "**STORAGE:**" to "**PESTICIDE STORAGE:**".

On printed labels, make sure that the signal word ("**DANGER**") and "**KEEP OUT OF REACH OF CHILDREN**" meet or exceed the type size requirements for such text set forth in 40 CFR §156.64.

Submit two copies of final printed labeling before releasing this product for shipment under the labeling accepted via this letter.

If these conditions are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6(e).

If you have any questions regarding this letter, you may reach Dr. Jacobs by phone at 703-305-6406, by FAX at 703-308-0029, or via e-mail at jacobs.bill@epa.gov.

Sincerely yours,

A handwritten signature in black ink that reads "Venus Eagle".

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Fatal if swallowed. May be fatal if absorbed through skin. Do not get this product in eyes, on skin, or on clothing. Wear protective clothing and rubber gloves, and a face shield or goggles when handling this product. Wash thoroughly with soap and water after handling this product and before eating, drinking, or using tobacco. Remove contaminated clothing and wash clothing before reuse.

Environmental Hazards and Rodenticide Act, as amended, for the pesticide registered under:
EPA Reg. No. 56228-26
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under: EPA Reg. No. 56228-26

This product is very highly toxic to mammals and other wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Use this product only as specified on this label.

ENDANGERED SPECIES CONSIDERATIONS

Notice: It is a Federal offense to use any pesticide in a manner that results in the death of a member of an endangered species.

DIRECTIONS FOR USE

It is a violation of State and Federal law to use this product in a manner inconsistent with its labeling or the Compound 1080 cancellation order. Misuse may result in civil or criminal enforcement action.

This product may only be used to prepare Sodium Fluoroacetate solutions for injection into toxicant reservoirs of Federally-registered Livestock Protection Collars.

COMPOUND 1080 (LPC) Manufacturing-Use Product

For use only for reformulation into Sodium Fluoroacetate solutions for use only in Federally-Registered Livestock Protection Collars

ACTIVE INGREDIENT	
Sodium Fluoroacetate	90.0%
OTHER INGREDIENTS	10.0%
TOTAL	100.0%

KEEP OUT OF REACH OF CHILDREN ACCEPTED DANGER-PELIGRO POISON

STATEMENT OF PRACTICAL TREATMENT
IF SWALLOWED OR IF YOU SUSPECT SOMEONE MAY HAVE BEEN EXPOSED, CALL YOUR REGIONAL POISON CONTROL CENTER IMMEDIATELY AT 1-800-222-1222

IF SWALLOWED: PROMPT TREATMENT IS MANDATORY. GET MEDICAL ATTENTION IMMEDIATELY. If medical treatment cannot be reached within one hour, induce vomiting.

IF ON SKIN: Flush area with plenty of water, for fifteen minutes.

IF IN EYES: Flush area with plenty of water, for fifteen minutes.

IF ON CLOTHING: Remove contaminated clothing and wash victim with water for fifteen minutes. Dispose of contaminated leather, including shoes, boots, belts and gloves, according to the Pesticide Disposal Section. Other clothing should be washed before re-use.

EPA Reg. No. 56228-22
U.S. PAT. 3,842,806

Net Contents: 30.4 grams (1.1 oz.) per collar

Batch Code No.:

NOTE TO PHYSICIAN

WARNING SYMPTOMS: 1080 poisoning results from the transformation of fluoroacetate into fluorocitrate within cell mitochondria. Poisoning is characterized by a symptom-free latent period of 1/2 to 2 hours or longer between ingestion and onset of symptoms (Nausea, vomiting, diarrhea, and hyperactive behavior leading to convulsions, coma and cyanosis). Ventricular fibrillation is commonly noted and is the primary cause of death. Early symptoms include alteration of heart sounds and premature, weak contractions.

TREATMENT: No effective antidote is known. Symptomatic supportive treatment may be effective. Secure the airway and establish respirations. Gastric lavage may be indicated after recent ingestion; if this is performed in a patient with altered mental status, the airway should first be protected with endotracheal intubation. Administer activated charcoal, if possible. Treat seizures with IV benzodiazepines. Monitor cardiac function closely.

CONSULT YOUR REGIONAL POISON CENTER (1-800-222-1222) FOR CURRENT TREATMENT GUIDANCE.

Symptoms of non-lethal intoxication will usually subside within 12-24 hours.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store Compound 1080 only in original container, in a dry, locked place away from food, feed, domestic animals and corrosive chemicals.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of such materials is a violation of Federal Law.

Dispose of unsafe containers or other wastes contaminated by Compound 1080 under three feet of soil at a safe location, at least one half mile from human habitations and water supplies.

Alternatively, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance in disposing of wastes at approved hazardous waste disposal facilities.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple rinse contaminated and uncontaminated containers with water promptly after emptying. If container is not to be recycled, puncture and dispose of contaminated containers and rinsate as above.
