

TECHNICAL GRADE BASIC CUPRIC CARBONATE

FOR MANUFACTURING USE ONLY

ACTIVE INGREDIENT:
CUPRIC CARBONATE 98.0%
INERT INGREDIENTS: 2.0%
TOTAL: 100.0%

(METALLIC COPPER EQUIVALENT ... 57.0%)
Net Contents _____ lbs. (_____ kg.)

EPA Reg. No. 56248-2

EPA Est. No. 56248-AU-001

ACCEPTED

APR - 9 2002

Under the Federal Insecticide, Fungicide, and
Rodenticide Act as amended, for the
pesticide, registered under
EPA Reg. No. 56248-2

KEEP OUT OF REACH OF CHILDREN
DANGER

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. CORROSIVE. Causes irreversible eye damage. Harmful if swallowed, inhaled or absorbed through skin. Prolonged or frequently repeated skin contact may cause skin sensitization in certain individuals. Do not get on eyes, on skin or on clothing. Avoid breathing dust. Wear goggles or face shield, dust mask and protective clothing while handling, mixing or loading. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

If In Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If On Skin Or Clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If Inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice.
If Swallowed:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information.

Note To Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use only in:

- formulating antifouling coating products
- formulating wood preservative products
- formulating agricultural bactericide and fungicide products
- formulating aquatic algaecide and herbicide products
- formulating root control products and containers

It is the responsibility of formulators using this product to register all formulations made from it with the EPA as a wood preservative, antifouling coating, agricultural fungicide, agricultural bactericide, aquatic algaecide, aquatic herbicide or root control product.

Before using the product to formulate any wood preservative, antifouling coating, agricultural fungicide, agricultural bactericide, aquatic algaecide, aquatic herbicide or root control product, be sure to consult the technical manual, which is available from the manufacturer.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store product in a tightly closed container. Store product in a cool, dry, well-ventilated area. Isolate from incompatible substances, including sodium hypobromite, acetylene, hydrazine, nitromethane and strong acids.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to the label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for Guidance.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT

ADCHEM (AUSTRALIA) PTY LTD, warrants that the product conforms to the chemical description on the label and is reasonably fit for the purposes set forth on the label when used according to directions under normal conditions. **THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING A WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.** This warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to seller and buyer assumes risk of any such use.
