HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact Canutech (613) 996-6666 for emergency medical treatment.

MANUFACTURED BY: Phero Tech Inc.
7572 Progress Way
Delta, B.C. V4G 1E9 CANADA

Registrant's Establishment No.: 56261-CN-1
EPA Registration No.: 56261-3

NET CONTENTS: 60 units

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons directly. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

Host Tree Stands

- Tree stands containing loblolly pine, shortleaf pine, Virginia pine, and other southern pine trees.

Pest

- Southern Pine Beetle (*Dendroctonus frontalis*).

Effect

- Verbenone is an antiaggregation pheromone for the listed pest. Verbenone Pouches prevents mass attack by the pest and can work to protect susceptible trees.

Application Rate

Place in grid pattern, preferably on standing susceptible trees.

- minimum dose 1 pouch/tree
(4.65 g active ingredient/tree)
- maximum dose 6 pouches/tree
(28 g active ingredient/tree)

Timing

- Place Verbenone Pouches along the leading edge of expanding infestations as soon as possible.

Expected Lifespan

- 25-40 days, weather dependent.

Additional Directions

For further information "see directions in the enclosed circular".
