**PRECAUTIONARY STATEMENTS
HAZARDS to HUMANS
AND DOMESTIC ANIMALS**

CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

Avoid contact with contents of pouch; do not puncture pouch. Avoid inhaling fumes; prior to use, open storage bag and thoroughly vent in a well ventilated area.

Personal Protective Equipment (PPE)

✓ Applicators and other handlers must wear:

- long-sleeved shirt and long pants;
- shoes plus socks and waterproof gloves.

✓ Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Wash PPE with detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Requirements

✓ Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

✓ Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

✓ Remove PPE immediately after handling this product. Immediately wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

For terrestrial uses. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal

Pesticide Storage	Store pouch in sealed storage bag (provided). Store below 32°F (0°C) or as cold as possible.
Pesticide Disposal	Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal	Dispose of empty bag/pouch in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned stay out of smoke.

TRANSPORT AND HANDLING

✓ Transport in sealed storage bag (provided).

✓ Transport in ventilated portion of the vehicle sectioned off from the passenger compartment.

✓ Pre-vent bags as described above.

SPILLS AND FIRE

✓ In cases where the active ingredient is released, wipe up with absorbent cloth and remove to well ventilated area.

✓ Wear protective gloves when cleaning. Wash the outside of gloves before removing

✓ In case of fire, extinguish with CO₂, foam or dry chemical extinguishers.

NET CONTENTS: 100 units

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons directly. Only protected handlers are to be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

Host Tree Stands

Mountain Pine Beetle: Tree stands containing ponderosa, lodgepole, limber, western whitepine, pinyon, whitebark and other western pine trees.

Southern Pine Beetle: Tree stands containing loblolly pine, shortleaf pine, Virginia pine, and other southern pine trees.

Pest

- ✓ Mountain Pine Beetle (*Dendroctonus ponderosae*)
- ✓ Southern Pine Beetle (*Dendroctonus frontalis*).

Effect

- ✓ Verbenone is an antiaggregation pheromone for the listed pests. Verbenone Pouches prevents mass attack by these pests and can work to protect susceptible trees.

Use Pattern

Do not expand the use pattern for this product to include habitat of endangered Coleopteran species without prior consultation with the U.S. Fish & Wildlife Service. Prior to use in the State of California, consult the U.S. Environmental Protection Agency's endangered species bulletins (<http://www.cdpr.ca.gov/docs/es/collst.htm>) for local use restrictions.

Application Rate

Place in grid pattern, preferably on standing susceptible trees.

- minimum dose 1 pouch/tree
(4.65 g active ingredient/tree)
- maximum dose 6 pouches/tree
(28 g active ingredient/tree)

Timing

- ✓ Place Verbenone Pouches along the leading edge of expanding infestations as soon as possible.

Expected Lifespan

- ✓ 25-40 days, weather dependent.

Additional Directions

For further information "see directions in the enclosed circular".

Warranty Statement

Phero Tech Inc. certifies that this product meets and conforms to the description on this label. No other warranty expressed or implied is made. Phero Tech Inc. will not be held liable for incidental, consequential or special damages resulting from the handling, storage or use of this product not in strict accordance with the direction given herewith.
