Subject: Product Name: CheckMate BAW Technical PheromoneN-Large Premier
EPA Reg. No: 56336-47
Notification of addition of pest to label
Dated: August 22, 2006

Dear Mr. Fresh:

The Biopesticides and Pollution Prevention Division is in receipt of the above dated application. A preliminary screen of this request has been conducted for its applicability under PRN 98-10 and it has been determined that the action requested falls within the scope of PR 98-10. Our records have been duly noted, and the label submitted with this application has been stamped Notification received, but not reviewed and will be placed accordingly in our records.

Questions concerning this action should be directed to Mr. Andrew Bryceland at 703-305-6928 or email at bryceland.andrew@epa.gov.

Sincerely,

Roger Gardner

Re: **Notification of Additional Pest Under PR Notice 98-10**
CheckMate® BAW Technical Pheromone, EPA Reg. No. 56336-47

Attn: Mr. Andrew Bryceland, RAL

Dear Mr. Bryceland:

By way of this letter and attachments I am sending a notification to the Agency about the addition of a pest to the CheckMate BAW Technical Pheromone label, EPA Reg. No. 56336-47. I am doing this under the authority of PR Notice 98-10, Part II B. Adding or Deleting Pests.

We are adding the pest Indian meal moth (*Plodia interpunctella*) to the label since the active ingredient in the subject product is the also the straight-chained lepidopteran sex pheromone for this moth. We have the pest on the label directly below the brand name on the front of the label and under the Directions for Use section.

I have provided the following for your review:

1. An EPA Notification Form.
2. Four copies of the new label with the additional pest added (one label highlighted to show the areas of change). Attachment #1.
3. A final copy of the presently registered label. Attachment #2.

If you have any questions concerning this reply please contact me at: Tel: 541/317-2243; FAX: 541/317-2268; or e-mail:rfresh@suterra.com.

Best regards,

Richard W. Fresh, Director
Regulatory Affairs

CAUTION

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

Caution: Harmful if swallowed or absorbed through skin or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing and wash before reuse.

FIRST AID STATEMENT

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-866-326-6737 for emergency medical treatment information.

ENVIRONMENTAL HAZARD

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

FOR MANUFACTURING USE ONLY: CheckMate BAW Technical Pheromone is a behavior modifying biochemical pheromone to be used only for the formulation into a pheromone for the following uses: as an attractant for monitoring or mating disruption. Not for direct treatment of the beet armyworm or Indian meal moth. End-use mating disruption products formulated from this product must be registered by the US EPA.

Do not use from damaged, punctured or unsealed containers.

STORAGE AND DISPOSAL	
	DO NOT contaminate water, food, or feed by storage and disposal.
PESTICIDE STORAGE:	Store container in a cool place until used. Reseal containers immediately after use.
PESTICIDE DISPOSAL:	Wastes resulting from the use of this product may be disposed of at an approved waste disposal facility.
CONTAINER DISPOSAL:	<u>Metal container (non-aerosol)</u> - Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by State and local authorities. <u>Plastic containers</u> - Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY: Suterra LLC warrants that this material conforms to the chemical description on the label and is reasonably fit for the purpose stated in the Directions for Use. Suterra LLC neither makes nor authorizes any agent or representative to make any other warranty of fitness or of merchantability, guarantee or representation, express or implied, concerning this material. To the extent allowable by law, Suterra LLC's maximum liability for breach of this warranty shall not exceed the purchase price of this product. Buyer and user acknowledge and assume all risks and liabilities resulting from the handling, storage, and use of this material.
