RE:

Product Name: CheckMate SPM dispenser

EPA Reg. No: 56336-54

Application for Notification Dated June 01, 2010 to update the storage and

disposal statement per PR-Notice 2007-4

Dear Mr. Fresh:

The Biopesticides and Pollution Prevention Division is in receipt of your application for Notification under Pesticide Registration (PR) Notice 98-10 dated above. A preliminary screen of this request has been conducted for its applicability under PR Notice 98-10 and it has been determined that the action(s) requested falls within the scope of PR Notice 98-10. Our records have been duly noted, and the label submitted with this application has been stamped "Notification Accepted" and will be placed accordingly in our records.

If you have any questions concerning this action, please feel free to contact Ms. Menyon Adams at (703) 347-8496 or email at adams.menyon@epa.gov.

Sincerely,

Linda Hollis

Linda Hollis, Chief Biochemical Pesticides Branch Biopesticides and Pollution Prevention Division (7511P)

SPM Dispenser

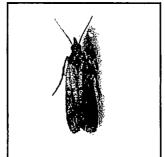

A BIOCHEMICAL PESTICIDE
FOR MATING DISRUPTION OF THE
INDIAN MEAL MOTH (Plodia interpunctella),
MEDITERRANEAN FLOUR MOTH (Ephestia kuehniella),
RAISIN MOTH (Cadra figulilella) and
TOBACCO MOTH (Ephestia elutella)

 Active Ingredient:
 (Z,E)-9,12-Tetradecadien-1-yl Acetate
 .3.60%

 Other Ingredients:
 .96.40%

 Total:
 .100.00%

 Net Weight:
 50 mg active ingredients per dispenser.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Harmful if absorbed through the skin or inhaled. Causes moderate eye and skin irritation. Avoid contact with skin, eyes and clothing. Avoid breathing vapor. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using the bathroom.

FIRST AID

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-866-326-6737 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CheckMate®SPM Dispenser is a behavior modifying blochemical product (pheromone) which functions by mating disruption. It is to be used in pest management programs for control of Indian meal moth (Plodia interpunctella), Mediterranean flour moth (Ephestia kuehniella), Raisin moth (Cadra figulilella) and Tobacco moth (Ephestia elutella).

METHOD OF APPLICATION: For Indoor Use Only. For use in food/feed storage areas of silos, ware-houses, food processing plants, storage areas within retail stores and other storage area facilities where Indian meal moth is a problem. The rate of application of CheckMate SPM Dispenser is one (1) dispenser per 100 square feet of area [ten (10) dispensers per 1,000 square feet of area]. For best results apply at the time or shortly before moths begin to emerge, or when moths are detected in pheromone traps such as BloLure. This product only affects adult male moths and will have no effect on female moths, eggs or larvae. If application occurs following detection of moths, treatment with an approved insecticide that will effectively control hatching larvae until egg laying by previously mated female moths has ceased to occur required. In moderate to high insect pressure situations, supplemental insecticide applications during the season to provide adequate protection must be made based on trap monitoring, scouting and appropriate degree-day models for the specified area and must be timed to control emerging larvae. Monitor insect infestation with traps and by visual inspection of commodities. Re-apply CheckMate SPM Dispensers as needed, based on monitoring results and field scouting. Do not exceed a total of 70 dispensers per 1,000 square feet per year fequal to 3.5 grams of active Ingredient per 1,000 square feet per year.

Apply dispensers by hand to machinery pallets, shelves or other suitable stationary structures at the recom-

Wash hands after application. Do not handle other types of insect lures before or after dispenser placement without thoroughly washing hands. Place monitoring traps in the facility before handling CheckMate SPM Dispensers. Monitor treatments carefully, especially for secondary pests such as grain and flour beetles.

Do not use CheckMate SPM Dispensers from damaged, punctured or unsealed containers

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE - Store container in cool place until used. Reseal containers immediately after use. Store unused product in a refrigerator or freezer not used for food storage.

PESTICIDE DISPOSAL - Wastes resulting from the use of this product may be disposed of on site or at an approved disposal facility.

CONTAINER DISPOSAL - <u>Plastic containers</u>: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke. <u>Bag/Cardboard Box</u>: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) <u>Dispose of empty bag/cardboard box</u> in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.
