SUTERRA LLC

Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment - Updating ingredient statement  
Product Name: Celada CRS 75  
Admin Number: 56336-85  
EPA Receipt Date: 04/18/2025  
Action Case Number: 00655310

Dear McKay Warter:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

The label submitted with the application has been stamped "Accepted Only Indicated Revisions Reviewed" and is enclosed for your records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have questions, please contact Nina Naimy via email at [naimy.nina@epa.gov](mailto:naimy.nina@epa.gov).

Sincerely,

A handwritten signature in black ink that reads "James Parker". The script is elegant and cursive, with a large, stylized capital "J" and "P".

James Parker, Team Leader  
BPB, BPPD  
Office of Pesticide Programs

WARRANTY AND LIMITATION OF DAMAGES

To the extent consistent with applicable law, **Suterra® LLC** warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use. To the extent consistent with applicable law, **Suterra LLC** neither makes nor authorizes any agent or representative to make any other warranty of fitness or of merchantability, guarantee or representation, express or implied, concerning this material. To the extent consistent with applicable law, **Suterra LLC's** maximum liability for breach of this warranty shall not exceed the purchase price of this product. To the extent consistent with applicable law, the buyer and user acknowledge and assume all risks and liabilities resulting from the handling, storage and use of this material contrary to label instructions.

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if absorbed through the skin, or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse.

**FIRST AID**  
**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

**HOT LINE NUMBER:** Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. For emergency information on product, uses, and treatment, etc., call the National Pesticides Information Center at 1-800-858-7378, 6:30 am – 4:30 pm Pacific Time (PT), 7 days a week. Otherwise, call the Poison Control Center at 1-800-222-1222.

**ENVIRONMENTAL HAZARDS**  
**FOR TERRESTRIAL USE:** Do not apply to water, or to areas where surface water is present or to intertidal areas below the high-water mark.

ACCEPTED  
ONLY INDICATED  
REVISIONS REVIEWED  
06/23/2025

Under the Federal Insecticide, Fungicide and  
Rodenticide Act as amended, for the pesticide  
registered under EPA Reg. No.  
56336-85  
No label revisions other than those indicated were  
reported to the Agency.

A BIOCHEMICAL PHEROMONE FOR MATING DISRUPTION OF  
CALIFORNIA RED SCALE (*Aonidiella aurantii*)

**ACTIVE INGREDIENT\*:**  
(3S,6R) (3S,6S)-3-Methyl-6-isopropenyl-9-decen-1-yl acetate. . . . . 3.37%  
**Other Ingredients:**. . . . . 96.63%  
**Total:** . . . . . 100.00%  
\*Contains 75 mg a.i. per dispenser  
**NET WEIGHT:** 0.00491 lbs (2,226 mg)

KEEP OUT OF REACH OF CHILDREN  
CAUTION

EPA Registration No. 56336-85  
EPA Establishment No. 85243-DEU-1

**DIRECTIONS FOR USE**  
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Celada CRS 75** is a behavior modifying biochemical product (pheromone) which functions by mating disruption. It is to be used for control of the California Red Scale (CRS) (*Aonidiella aurantii*) on citrus crops and any other crop where the California Red Scale is a pest.

**METHOD OF APPLICATION**  
Do not apply more than 150 grams a.i. per acre per year (2000 dispensers/acre/year).

Authorized uses:

Crop	Target Pest	Number of Applications	Rate of Application
Citrus fruits and any other crop where CRS is a pest. Crop group 10-10 Including Oranges, lemons, limes, grapefruit, clementines, tangerines.	California Red Scale ( <i>Aonidiella aurantii</i> )	1 per year	160 dispensers per acre

Apply by hand. Distribute dispensers across the orchard. Apply dispensers to a branch in the inner part of the canopy, at mid-height (shoulder). Choose sturdy branches. If there is a persistent and prevalent wind, the upwind edge may require reinforcement. Do not use dispensers from damaged, punctured or unsealed containers.

Apply the dispensers shortly before the onset of the male flight of the first generation that is being targeted. The best results have been achieved by deploying before the onset of the second flight of males of the year.

**Celada CRS 75** is a mating disruption product. The product only affects adult males and will have no effect on females, eggs or juveniles. The product does not affect any other pests or beneficial insects.

Use **Celada CRS 75** as part of a Integrated Pest Management Strategy. Monitor adequately the populations and conduct supplemental insecticide applications during the season if needed. Use monitoring and degree-day models to establish the timing of supplemental insecticides.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store container in cool place until used. Reseal containers immediately after use. Store unused product in refrigerator or freezer not used for food storage.

**PESTICIDE DISPOSAL:** Wastes resulting from use of this product may be disposed of on-site or at an approved disposal facility.

**CONTAINER DISPOSAL:**  
Bag/Cardboard Box: Nonrefillable container. Do not reuse or refill this container. Dispose of empty bag/cardboard box in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.
