**Flea & Tick Powder for Dogs & Cats**

Flea & Tick Powder controls both fleas and ticks. It kills fleas up to 16 days and brown dog ticks up to 7 days. It may also be used to help control fleas and ticks in pet's sleeping quarters.

**PRECAUTIONARY STATEMENT  
HAZARDS TO HUMANS AND  
DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed. Avoid breathing dust. Do not get in eyes or on clothing. Wash hands and exposed skin thoroughly with soap and water after handling and before eating or smoking. Avoid contamination of food and food stuffs.

**Statement of Practical Treatment**

If in eyes - Flush with plenty of water. If irritation persists, seek medical attention.

**Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To control fleas and ticks on your pet, dust powder liberally over the animal and rub thoroughly through hair coat to skin. Apply also to feet, between the toes and on the legs for tick control. Repeat at weekly intervals if necessary. Occasional dusting of pet's bedding and around sleeping quarters and other areas will help free area of fleas and ticks.

**Storage and Disposal**

**Storage:** Store in original container in a dry place away from children.

**Disposal:** Do not reuse empty container. Wrap container in newspaper and put in trash.
