Conditional

Name of Pesticide Product:

Americare Flea & Tick  
Shampoo Plus

Name and Address of Registrant (include ZIP Code):

Fermenta Animal Health Company  
10150 N. Executive Hills Boulevard  
Kansas City, MO 64153

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 56493-91."

Signature of Approving Official:

Date:

SEE PAGE 2

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Robert S. Brennis  
Acting Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (7505C)

373

Kills fleas, ticks and lice.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Thoroughly wet the entire animal with warm water. Apply just enough shampoo to produce a lather.

For best effects on fleas, lice and ticks allow lather to remain on animals for approximately five minutes before rinsing.

Rinse thoroughly with warm water. May be repeated once or twice weekly.

For use on dogs and cats to control fleas, lice and ticks. Imparts a clean lustrous shine and conditions the hair. Promotes manageability of hair coat for good grooming.
