Attn: Edward H. Grout

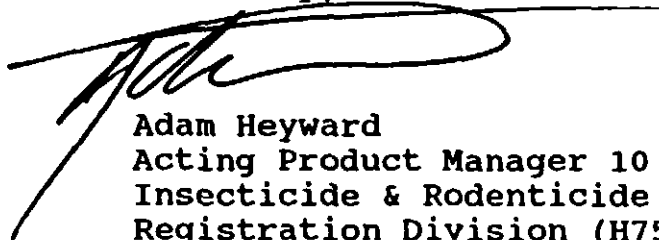

Subject: Label Changes For
Natrapel Insect Repellent
EPA Registration No. 56575-5
Application dated June 28, 1993

Dear Mr. Grout:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

- 1) Delete the phrase, "Unlike harsh repellents".

Sincerely,

Adam Heyward
Acting Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (H7505C)

PRECAUTIONARY STATEMENTS

CAUTION: Hazardous to humans and Domestic Animals. May cause eye irritation. Avoid contact with eyes.

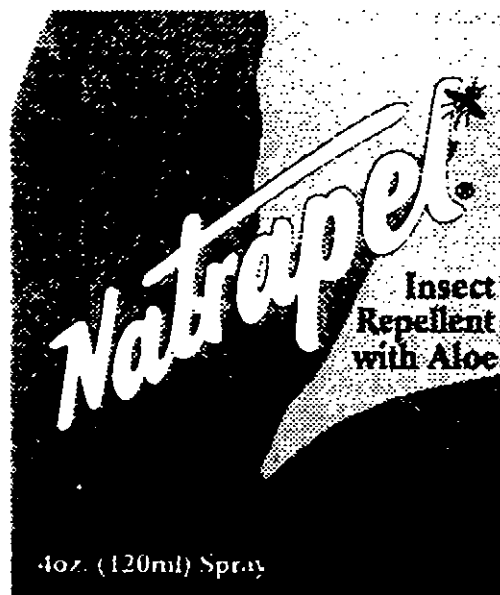

STATEMENT OF PRACTICAL TREATMENT: In case of eye contact, wash eyes with plenty of water. If irritation persists, get medical attention. May cause skin rashes. In case of skin contact, wash with soap and water. Get medical attention if irritation persists.

DIRECTIONS FOR USE: Read all directions before using this product. It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well. Apply to exposed skin every 2-3 hours or more often as needed. To spray on face, spray on hands and wipe on, avoid eyes and mouth. For added protection, spray on clothing. May be used on synthetic fabric or materials.

STORAGE AND DISPOSAL: Avoid excessive heat. Do not reuse empty package. Wrap container and put in trash collection.
