c/o Kim Davis
Reg West Corporation
P.O. Box 2220
Greeley, Colorado 80632-2220

Dear Kim,;

Re: Your Request for Label Amendment dated July 14, 1994 and Alternate Formulation "A" Dated Feb, 22, 1995 for Natrapel Insect Repellent Lotion
Tender Corporation Product, EPA Reg. No. 56575-6

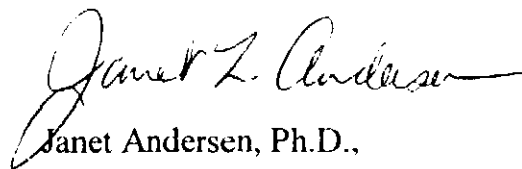

The formula statement referred to above is acceptable as an alternate formula under this registration and has been included in our files. I have enclosed a copy of the evaluation of the alternate formulation for your records.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as ammended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releaseing the product for shipment.

- ♦ The selling claim "For Children" may be used as it further defines the intended application site.
- ♦ The statement "Recommended For Children" **MAY NOT** be used because it is viewed as an implied safety claim which is not permitted.
- ♦ The additional storage directions are acceptable

A stamped copy of the label is enclosed for your records.

Sincerely,

Janet Andersen, Ph.D.,
Acting Director,
Biopesticides & Pollution Prevention

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product. For added protection, apply to clothing. May be used on synthetic fabric or materials.

STORAGE: Store in original container in a cool, dry place inaccessible to children and pets. Avoid excessive heat.

DISPOSAL: Do not reuse empty container. Wrap container in several layers of newspaper and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: May cause eye irritation. Avoid contact with eyes.

Statement of Practical Treatment

In case of eye contact, wash eyes with plenty of water. If irritation persists, get medical attention. May cause skin reactions in rare cases. If so, wash with soap and water. Get medical attention if irritation persists.

NATRAPEL ... THE NAME SAYS IT ALL. Natrapel (pronounced NATCH'-REPEL) is a unique insect repellent. Natrapel has a refreshing formula of citronella to repel biting insects and aloe to moisturize your skin. For an alternative to common repellents, choose Natrapel.

By purchasing Natrapel, you'll protect yourself while helping the environment. A portion of Natrapel sales will be donated to Tender's Environmental Scholarship Program. To learn more about Natrapel's unique approach, write Tender Corp., Littleton, NH 03561.
