Subject: Deet Insect Repellent 30
EPA Registration No. 56575-11
Application dated March 20, 2003

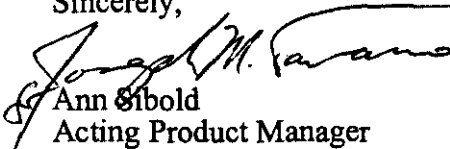

The proposed amendment to the registration for the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, adding child and use advisories to the label is acceptable subject to the comments listed below:

- 1) Change the statement, "Read All Directions Before Using This Product", to read "Read and follow all directions and precautions on this product label."
- 2) Add the statement, "Do not allow children to handle this product."
- 3) Refer to PR Notice 2001-1. The First Aid Statements(Statements Of Practical Treatment) must be revised according to that notice.
- 4) Refer to PR Notice 2001-6. The disposal statement must be revised according to that notice.

Submit two copies of the final label before the product is released for shipment under this revised label.

If you have any questions please contact Joseph Tavano at (703) 305-6411.

Sincerely,

Ann Sibold
Acting Product Manager
Insecticide Branch
Registration Division(7505C)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

Apply to exposed skin areas. Wash hands after applying. Use just enough to cover exposed skin. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. Do not apply to eyes and mouth, or to the hands of young children. Apply sparingly around ears. When using on children, apply to your hands then put on the child. Avoid over-application of this product. Repeat as needed.

Storage and Disposal

Storage: Store in a cool, dry, preferably locked area away from heat or open flame. **Disposal:** Do not reuse empty container; wrap and put in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Do not apply over cuts, wounds or irritated skin. Causes substantial but temporary eye injury. Do not get in eyes. Do not let children rub their eyes if hands have been treated. Wash skin and/or clothing thoroughly with soap and water after use. May cause skin reactions in rare cases. If you suspect you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you. Harmful if swallowed.

Statement of Practical Treatment

If in Eyes: Hold eyelids open and flush with a steady stream of water for 15 minutes. Get medical attention. **If Swallowed:** Call a physician or poison control center. Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

Physical or Chemical Hazards

Keep off synthetics, plastics, furniture and paints. May damage leather.
