U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

56575-12

SEP 16 1999

Term of Issuance: Conditional

NOTICE OF PESTICIDE:

Registration
 Reregistration

Name of Pesticide Product:

Deet Insect Repellent 20

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Tender Corporation
P.O. Box 290
Littleton, NH 03561

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 56575-12 ".
 - b. As required by the DEET RED, add the following statements: 1) "Do not allow children to handle this product." 2)" Do not apply near eyes and mouth. Apply sparingly around ears." 3)" When using on children, apply to your own hands and then put on the child". 4) "Do not apply in enclosed areas."5) Avoid over-application of this product" 6) "Do not apply to children's hands." 7)" Read and follow all directions and precautions on this product label."

Signature of Approving Official:

Date:

SEP 16 1999

Marion J. Johnson, Jr.
Product Manager 10

3) Submit two copies of the final printed label before releasing this product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). A stamped copy of the label is enclosed for your records.

For future reference, you must complete the column entitled "Status" on the data matrix form to fully comply with the conditions of the selective method of support. Thank you for your cooperation and attention to this matter. If you have any questions, please contact Kevin Sweeney at (703) 305-5063.

Sincerely,

Marion J. Johnson, Jr.
Product Manager (10)

Liquid:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

Apply to exposed skin areas. Wash hands after applying. Use just enough to cover exposed skin. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. Do not apply to eyes and mouth, or to the hands of young children. Repeat as needed.

Storage and Disposal

Storage: Store in a cool, dry, preferably locked area away from heat or open flame. **Disposal:** Do not reuse empty container; wrap and put in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Do not apply over cuts, wounds or irritated skin. Causes substantial but temporary eye injury. Do not get in eyes. Do not let children rub their eyes if hands have been treated. Wash skin and or clothing thoroughly with soap and water after use. May cause skin reactions in rare cases. If you suspect you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you. Harmful if swallowed.

Statement of Practical Treatment

If in Eyes: Hold eyelids open and flush with a steady stream of water for 15 minutes. Get medical attention. **If Swallowed:** Call a physician or poison control center. Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

Physical or Chemical Hazards

Keep off synthetics, plastics, furniture and paints. May damage leather.

Pump Spray:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

Remove protective cap and spray on all exposed skin areas, keeping nozzle pointed away from face. Do not inhale. Use just enough to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent application and saturation is unnecessary for effectiveness. Do not spray directly on face or in enclosed areas. To apply to face, spray on hands and rub on. Do not apply to eyes and mouth, or to the hands of young children. Repeat as needed. For ticks and chiggers, apply to shoe tops, socks and around openings in clothing.

Storage and Disposal

Storage: Store in a cool, dry, preferably locked area away from heat or open flame. **Disposal:** Do not reuse empty container; wrap and put in trash.
