U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
1200 Pennsylvania Avenue, N.W.  
Washington, D.C. 20460

EPA Reg. Number:  
56575-14

Date of Issuance:  
MAR 25 2008

Term of Issuance:  
Conditional

Name of Pesticide Product:  
Natrapel 8 hour Insect Repellent  
Wipes

NOTICE OF PESTICIDE:

☒ Registration  
☐ Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):

Tender Corporation.  
106 Burndy Road  
Littleton, New Hampshire 03561

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You submit or cite (from a substantially similar product) additional product specific efficacy data by November 30, 2008 for mosquitoes, ticks, biting midges, chiggers and biting flies (Tabanids).

Signature of Approving Official:

*See last page*

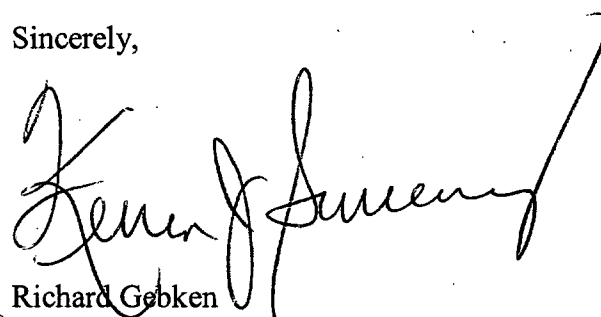

Richard Gebken, Product Manager (10), RD/IB (7505P)

Date:

3. You make the following label changes before releasing the product for shipment:
  - a) Revise the EPA Registration Number to read "EPA Reg. No. 56575-14".
  - b) Remove the following marketing language from the label because these are comparative claims or implied safety claims or performance claims that are not supported by submitted or cited data::
    - i. #2) 8 hours of worry-free protection
    - ii. #4) DEET-FREE
    - iii. #5) [Contains] NO DEET
    - iv. #6) Effective DEET alternative
    - v. #7) 0% DEET
    - vi. #9 Strongest picaridin formula [available]
    - vii. #10) [Proven as] Effective as DEET
    - viii. #16) Repels mosquitoes that may [transmit] [carry] West Nile virus
    - ix. #22) Heavy Duty Sport Formula
    - x. #26 For active sports
    - xi. #28) Repels deer ticks that may carry Lyme disease
    - xii. #29) with 8 hours of protection against the *Culex* mosquito
4. Remove the statement "Natrappel 8 hour wipes provide up to 8 hours [of] protection against *Culex* mosquitoes." from the label. You did not cite or submit data to support this claim.
5. Add the statement: "Reapply every eight hours" to the label. This statement is on the "me-too" product.
6. The emergency medical information contact telephone number is the same as that found on the "me-too" product. Please check to make sure this number is the number you are going to use. Change this number if needed before the final printing of the labels.
7. The basic Confidential Statement of Formula (CSF) dated October 8, 2007 is acceptable and is the basic CSF of record.
8. Please submit three (3) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this registration action, please contact Kevin Sweeney at (703) 305-5063. Thank you for your cooperation in this matter.

Sincerely,

Kevin J. Sweeney

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Read all Directions and Precautions on this Product Label prior to use.**

Tear open wipe at notch. Remove and unfold wipe [towellette]. Apply to all exposed skin. Apply sparingly around ears. Excess amounts or frequent applications are unnecessary. Do not apply to hands of small children. Avoid contact with lips, cuts, wounds or irritated skin. Do not apply to excessively sunburned skin. Do not exceed two applications per day. Do not use under clothing

**PRECAUTIONARY STATEMENTS: Hazards to Humans Causes** moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco.

**STORAGE & DISPOSAL:** Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. IF EMPTY: Do not reuse this container. Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency or 1-800-526-9377 for disposal instructions. Never place unused product down any indoor or outdoor drain.

**FIRST AID IF IN EYES:**

- Hold eye open and rinse gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first five minutes, and then continue rinsing.
- Call a poison control center or doctor for treatment advice.

**FIRST AID IF SWALLOWED:**

- Call a physician or poison control center immediately for treatment advice.
- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by Poison Control Center or a doctor.
- Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-410-3063 for emergency medical information.

**PHYSICAL HAZARDS:** Flammable. Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.
