AND POLLUTION PREVENTION

June 5, 2014

Mr. Andrew Bronson  
Regulatory Affairs Manager  
TENDER CORPORATION  
106 Burndy Road  
Littleton, NH 03561

**Subject: Acceptance of Updated Master Labeling; Addition of 3.4 Ounce Container Size  
Natrapel 8 Hour INSECT REPELLENT, EPA Reg. No. 56575-15  
Your Submission Dated February 25, 2014 & E-Resubmissions Dated May 29, 2014, June 2, 2014 and  
June 5, 2014**

Dear Mr. Bronson:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable.

Please note that the previously accepted Notification, dated March 24, 2014, has been rescinded because the proposed label submitted along with this Notification contained a 12-hour duration against public health pests which was never approved for use on the subject label. In addition, the transmittal letter submitted with the Notification did not clearly articulate that you were adding this duration claim to the subject label.

A copy of your updated master label stamped "Accepted" is enclosed for your records. If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at [Rodia.Carmen@epa.gov](mailto:Rodia.Carmen@epa.gov) or Mr. Richard Gebken at (703) 305-6701 or via e-mail at [Gebken.Richard@epa.gov](mailto:Gebken.Richard@epa.gov) during the hours of 9:00 A.M. to 5:30 P.M. EST.

Sincerely Yours,

*For* A handwritten signature in black ink, appearing to read "Richard J. Gebken".

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7504P)

ACCEPTED

June 5, 2014

Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended, for the  
pesticide registered under:

EPA. Reg. No: 56575-15

{Back Panel Container Labels and Cards and Peel Backs}

**PRECAUTIONARY STATEMENTS**

**CAUTION. Hazards to Humans:** Causes moderate eye irritation. Avoid contact with eyes. Wash hands thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco, or using the toilet.

{Note: First Aid grid format used if market label space permits: otherwise a paragraph format will be used}

**STORAGE & DISPOSAL**

**Pesticide Storage:** Store this product in a cool, dry (preferably locked) place, out of reach of children. Keep away from heat, sparks, and open flame.

**Container Disposal:** Do not puncture or incinerate! **If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PHYSICAL HAZARDS**

**FLAMMABLE.** Do not use or store near heat sources, sparks or open flame. Contents under pressure do not puncture or incinerate container. [{container specific} Exposure to temperature above 130°F may cause bursting.] Do not smoke while applying.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on [this product label]{or}[all labels and packaging {where size requires peel-back }].  
[Remove protective cap.] Hold can 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin or clothing with a slow sweeping motion. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly on face. Do not apply near eyes and mouth. Spray on hands first, and then apply sparingly to face, neck and around ears, avoiding your eyes. Do not apply over cuts, wounds, or irritated skin, and do not apply to excessively sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Frequent reapplication or saturation is unnecessary. Avoid over-application of this product. Do not exceed more than 2 applications per day. After returning indoors, wash treated skin with soap and water [and double-check yourself and other family members for ticks.] Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your Poison Control Center. If you go to a doctor, take this product with you.
