OFFICE OF PESTICIDES PROGRAMS
REGISTRATION DIVISION (TS-767)
WASHINGTON, DC 20460

EPA REGISTRATION NO.

DATE OF ISSUANCE

56802-1

15 OCT 1987

TERM OF ISSUANCE

TYPE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Parachlorometaxylenol

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Swan Chemical, Inc.
222 Grace Church
Port Chester, NY 10573

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you.

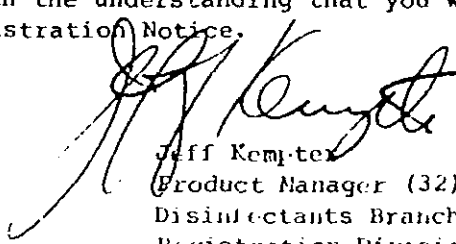

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Submit accelerated 30-day stability data at 50 °C within 90 days and the 1-year study within 2 years. Please refer to enclosed protocol for storage and stability data.

3. Add the phrase "EPA Registration No. 56802-1" to your label before you release the product for shipment.

4. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

A copy of your proposed label with our acceptance stamp is included with this registration with the understanding that you will comply with the conditions to the Registration Notice.

STORAGE & DISPOSAL

STORAGE:

Store container upright in a cool, dry place. Avoid contamination. Close after use. Prevent crushing containers; do not stack, etc. Keep away from food and animal feed. Store in original container unless container becomes damaged. If damage occurs, dispose of pesticide and container as indicated below and transfer contents into clean, unopened, airtight container.

Pesticide Disposal

Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Dispose of liner in a sanitary landfill or by incineration, if allowed by State and local authorities.

PARACHLOROMETAXYLENOL

Active ingredient:

4-Chloro-2, 5-xyleneol . . . 99.0%

Inert ingredients . . . 1.0%

100.0%

For further manufacturing, processing or repackaging only.

KEEP OUT OF REACH OF CHILDREN

DANGER

STATEMENT OF PRACTICAL TREATMENT:

IF IN EYES: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

IF SWALLOWED: Drink promptly a large quantity of milk, egg white, gelatin solution or, if these are not available, drink large quantities of water. Do not induce vomiting. Avoid alcohol. Call a physician immediately.

INSTRUCTIONS FOR USE

Manufacturing use and formulation of repack products which are used as antimicrobial agents, or repackagers are required to obtain their own EPA registration and provide additional data to support registration. Use of product may result in registration.

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Animals: DANGER: Causes severe eye and skin irritation. Do not get in eyes, on clothing. Wear goggles and rubber gloves when handling. Harmful if swallowed. Avoid contact with food.

Environmental Hazard: Pesticide is toxic to aquatic life. Do not discharge effluent containing product into lakes, streams, rivers, estuaries, oceans, or other bodies of water, unless this product is specifically identified and addressed on the label as approved under the NPDES Permit. Do not discharge effluent containing product into sewer systems without notifying the sewage treatment plant authority. For more information, contact your State or EPA Regional office of toxic substances.

Physical or Chemical Hazards: Do not use or store near heat or flame.
