February 12, 1990

TERM OF ISSUANCE
Until Reregistration

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT
Top Brass Yard and Kennel Spray

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Top Brass Products
P.O. Box 1615
Tomball, TX 77375-1615

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below on your release of the product for shipment:

- a. Add the phrase "EPA Registration No. 56920-11."
- b. In the Active Ingredients statement, remove the [redacted] in which to insert ingredients. The inert ingredient should read "Inert 92.38"
- c. Place a pointer to the inert ingredients and add the following statement:

*Contains aromatic petroleum solvents.

DATE

2/12/90

- d. Please delete the statement "This product contains the toxic inert ingredient methylene chloride." The source of your active ingredient has removed this from the formulation.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Do not smoke while using. Wash thoroughly after handling. Wash contaminated clothing before reuse. In case of contact, immediately flush exposed eyes or skin with plenty of water. Get medical attention if irritation persists. Avoid breathing spray mist or vapors. Keep children and pets off treated areas until spray has dried.

STATEMENT OF PRACTICAL TREATMENT

- IF SWALLOWED:** Call a physician or Poison Control Center at once. Do not induce vomiting because of aspiration hazard. Get medical attention at once.
- IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists.
- IF ON SKIN:** Wash with soap and water, remove contaminated clothing.
- NOT TO PHYSICIAN:** Atropine Sulfate by injection is antidotal only if signs of cholinesterase inhibition are present.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with labeling.

IN YARDS: To control fleas, apply 1 pint of spray in 78 gallons of water as a coarse, low pressure spray to cover 2600 sq. ft., or 1 1/4 oz. of spray in 6 gallons of water covers 200 sq. ft.. Thoroughly water immediately after treatment to wash the insecticide into the treated area. For best results, the lawn should be moist at time of treatment. See note below.

IN KENNELS AND DOG HOUSES: To control fleas and ticks, apply 10 1/2 fl. oz. of spray in 1 gallon of water to resting areas, walls, and floors. Old bedding of pet should be removed and replaced with clean, fresh bedding after treatment. See note below.

NOTE: Remove pets before spraying. Do not treat pets with this product. Keep children and pets out of treated areas until spray has dried.

STORAGE AND DISPOSAL

Store in original container away from heat or open flame, in cool, locked storage area. Do not reuse container. Rinse thoroughly, wrap in newspaper before discarding in trash.
