Until Reregistration

NAME OF PESTICIDE PRODUCT

TOP BRASS CHLORPYRIFOS DOG DIP

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Tor Brass Products
P.O. Box 690054
Houston, TX 77269-0954

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
 2. Add the phrase "EPA Registration No. 56820-18" to your label before you release the product for shipment.
 3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
 4. The methylene chloride statement must be deleted from your label.
- If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

The revised Confidential Statement of Formula submitted is acceptable. This information will be placed in our files for your product.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be fatal if swallowed. Causes eye irritation. Do not get in eyes. Avoid contact with skin and clothing. ~~May cause allergic skin reactions.~~ Wear natural rubber or Neoprene gloves when using this product to bathe dogs. Wash thoroughly with soap and water after handling. Excessive or prolonged contact of this dip solution with the skin should be avoided. Contaminated utensils should not be used for any other purpose after use with insecticide. Do not treat sick or debilitated animals or animals under 4 months of age. Do not treat nursing animals. Wash thoroughly after using and before eating or smoking.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Do not induce vomiting because of aspiration hazard. Get medical attention at once.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Remove contaminated clothing and wash thoroughly with soap and water.

NOTE TO PHYSICIAN: Atropine Sulfate by injection is antidotal only if signs of cholinesterase inhibition are present.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and wildlife. Do not apply directly to lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use on Dogs, to kill Fleas, Ticks and Mange Mites, dilute two ounces of Dog Dip to 1 gallon of water (8oz. to 4 gallons) and mix well. Dip or sponge animals until the hair coat is thoroughly wet to the skin. Do not rinse. Allow solution to dry on animals. Do not repeat treatment more often than once every 4 weeks. Do not use this product on animals simultaneously or within 30 days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides or chemicals. Controls Ticks for 21 days and Fleas for 28 days. Do not use on Cats.

STORAGE AND DISPOSAL

Store in original container away from heat or open flame, in a cool, locked storage area.

Do not reuse container. Rinse thoroughly, wrap in newspaper before discarding in trash.
