This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data or other material required for registration/ reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 57100-2."
- b. Under Precautionary Statements, start the paragraph as follows:

Harmful if swallowed. Avoid breathing vapors. Wash thoroughly with soap and water after handling (spraying).

63224:I:WP50:Moats:WP13-2:KEVRIC:05/27/92:06/26/92:DD

- c. Under the Statement of Practical Treatment for "If inhaled" add "Get medical attention" for "If swallowed" add the following:

Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

3. In reference to the product chemistry data, please provide the following information:

- a. Statement of Composition - A complete description of the manufacturing/formulation process, including equipment used, mixing time, temperature, pressure, etc.
- b. Analytical Method - Provide the methods used to analyze for the active ingredients or a full reference for a published method or MRID Number (2). The analytical method should be for the active ingredient of the formulated product. The references submitted contain different active ingredients in different proportions.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Do not spray in pet's eyes, face or on genitalia. Do not use on nursing puppies or kittens or animals under 3 months of age.

Do not use this or any other pesticide on sick, old, or debilitated animals.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic animals. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING. This product will kill fleas up to 14 days on dogs and cats and will kill ticks for 4 days on dogs and 9 days on cats.

Spray animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

For cats apply at the rate of 1 second per pound of body weight. For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.
