Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Changing the EPA Establishment Number Supplier on the Master Labeling
Product Name: Stoller Technical Indole-3-Butyric Acid
EPA Registration Number: 57538-27
Application Date: 03/21/2018
OPP Decision Number: 539525

Dear Ms. Njuguna:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false

EPA Reg. No. 57538-27
OPP Decision No. 539525

or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Elyse Bilardo by phone at (703) 347-0182 or via email at bilardo.elyse@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Andrew C. Bryceland". The signature is written in a cursive style with a large, sweeping initial "A".

STOLLER TECHNICAL INDOLE-3-BUTYRIC ACID (IBA)

Plant Growth Regulator

FOR MANUFACTURING USE ONLY

ACTIVE INGREDIENT

Indole-3-butyric acid 99.0%

OTHER INGREDIENTS: 1.0%

Total 100%

KEEP OUT OF REACH OF CHILDREN

WARNING

ACCEPTED

05/02/2018

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under

EPA Reg. No. 57538-27

FIRST AID

If swallowed	<ul style="list-style-type: none">• Promptly drink a large quantity of milk, egg whites, or gelatin solution, or, if these are not available, drink a large quantity of water. Avoid alcohol.• Call a poison control center or doctor for treatment advice• Do not induce vomiting unless told to do so by the poison control center or doctor.• Do not give anything by mouth to an unconscious person.
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.• Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none">• Remove contaminated clothing and launder before reuse.• Rinse exposed skin with plenty of water for 15 to 20 minutes. If irritation persists, get medical attention.• Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance and give artificial respiration, preferably mouth-to-mouth.• Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For general information on product use, etc., call the National Pesticides Information Center at 1-800-858-7378. For emergencies, call the Poison Control Center at 1-800-222-1222.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Warning: May be fatal if swallowed, inhaled or absorbed through skin. Causes substantial but temporary eye injury. Do not get in eyes, on skin, or on clothing. Do not breathe dust. Wash thoroughly with soap and water after handling.

Remove and wash contaminated clothing before reuse. Wear the appropriate Personal Protective Equipment (PPE):

- Protective eyewear: Goggles, Face Shield, or Safety Glasses
- Coveralls worn over long-sleeved shirt and long pants
- Chemical-resistant footwear and socks
- Waterproof gloves
- A NIOSH approved particulate respirator with any N, R, or P filter, NIOSH approval number prefix TC-84A; or a NIOSH-approved powered air purifying respirator with an HE filter with NIOSH approval number prefix TC-21C.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For manufacturing use only. This product is intended only for formulation into the following plant growth regulator end-use products for:

- 1) Terrestrial food uses on barley (cereal grain), beans (black-eyed peas, southern peas, dry, navy, snap), broccoli, Brussels sprouts, cabbage, cauliflower, citrus fruits, cotton, corn (field, sweet, grain), cucumbers, lettuce, melons, mustard (leafy, stem crop), mustard cabbage (pak choi), oats (cereal grain), onions (green, bulb), peanuts, peas, peppers, potatoes (white, Irish), rice, rye (cereal grain), sorghum, soybeans, spinach, squash (summer, winter, zucchini), strawberries, sugar beets (sugar crop), sugar cane (sugar crop), tomatoes, turnips, wheat (cereal grain).
- 2) Terrestrial non-food uses on ornamental herbaceous plants, ornamental woody shrubs and vines, ornamental or shade trees, golf course turf (greens, tees, fairways and rough), ornamental lawns, & turf.
- 3) Uses for which US EPA has accepted the required data or citations of data that the formulator has submitted in support of registration.
- 4) Uses for experimental purposes that are in compliance with US EPA requirements.

Each formulator is responsible for obtaining EPA registration for its own end-use product(s).

For general product information, call Stoller Enterprises, Inc. at 800-539-5283 between the hours of 9 a.m. and 4 p.m. Central Standard Time.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

PESTICIDE STORAGE: Keep plastic bags tightly closed when not in use. Store in original plastic bags away from food, feed, fertilizers or other pesticides.

PESTICIDE DISPOSAL: Pesticides wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING:

Nonrefillable plastic bag: Do not reuse or refill this plastic bag.

Completely empty bag into application equipment by shaking and tapping sides and bottom to loosen clinging particles. If not emptied in this manner, the bag may be considered an acute hazardous waste and must be disposed of in accordance with local, state and federal regulations. When completely empty, offer for recycling if available or dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

WARRANTY STATEMENT

To the fullest extent permitted by law, neither the manufacturers nor the seller make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to the label instructions. Read and follow the label directions carefully.
