ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For manufacturing use only. This product is intended only for formulation into plant growth regulator end-use products for:

- 1) use on ornamental and food crops, and only for those products and uses which are duly registered with US EPA. Each formulator is responsible for obtaining EPA registration for its own end-use product(s).
- 2) Uses for which US EPA has accepted the required data or citations of data that the formulator has submitted in support of registration.
- 3) Uses for experimental purposes that are in compliance with US EPA requirements.

Each formulator is responsible for obtaining EPA registration for its own end-use product(s).

For general product information, call Stoller Enterprises Inc. at 800-539-5283 between the hours of 9 a.m. and 4 p.m. Central Standard Time.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Keep containers tightly closed when not in use. Store in original container away from food, feed, fertilizers or other pesticides. Keep away from excessively high temperatures and sunlight.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into manufacturing equipment. Then dispose of empty bag in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT

To the fullest extent permitted by law, neither the manufacturers nor the seller make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instructions. Read and follow the label directions carefully.
