Subject: Winterizer for Swimming Pools  
EPA Registration No. 57787-11  
Application Date: September 3, 2003  
EPA Received Date: September 12, 2003

Dear Mr. Westman:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

**Proposed Amendment**

- Update First Aid Statements and Disposal Sections

**Conditions**

Revise the label as follows:

1. Revise the First Aid Statements by including the phrase "Have the product container or label with you when calling a poison control center or doctor, or going for treatment."

		CONCURRENCES					
SYMBOL	7510c						
SURNAME	J. J. J.						
DATE	11-17-03						

**General Comments**

A stamped copy of the labeling accepted with conditions is enclosed. Submit three(3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact me at 703-308-6422.

Sincerely,

Adam Heyward  
Product Manager 34  
Regulatory Management Branch II  
Antimicrobials Division (7510 C)

# winterizer

## for swimming pools

### CAUTION KEEP OUT OF REACH OF CHILDREN

See First Aid and Additional Cautions on Back Panel.

#### Active Ingredient:

Poly (oxyethylene (dimethyliminio) ethylene-  
(Dimethyliminio) ethylene dichloride) ..... 10.0%  
Other Ingredient: ..... 90.0%

**TOTAL: ..... 100.0%**

(This product contains 0.85 lbs. of active ingredient  
per gallon and weighs 8.5 lbs. per gallon.)

**NET CONTENTS 1 QT. (.946L)**

### PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

#### FIRST AID

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Chemtrec 1-800-424-9300. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Chemtrec 1-800-424-9300.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Chemtrec 1-800-424-9300.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Chemtrec 1-800-424-9300.

**Note to physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

**ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish. Keep out of lakes, streams, or ponds. Permits may be required for discharges containing this pesticide into lakes, streams, ponds or public water. For guidance, contact the regional office of the Environmental Protection Agency.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**WINTERIZER** algacide will prevent growth of most algae during the off-season winter months when pools are not in use. For pools which have been properly treated during the swimming season and are free of visible algae, add 41 to 65 fluid ounces of algacide per 10,000 gallons of water. If at the end of swimming season pools have some visible algae growth, add 76 to 117 fluid ounces per 10,000 gallons. It is necessary that a uniform distribution of algacide throughout the water and pool be made for maximum effectiveness. If pool is not covered, it may be necessary to repeat the treatment one or more times during the season.

**WINTERIZER** is compatible with those chemicals normally used to treat pools and effective at both acid and alkaline pH. **WINTERIZER** can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix **WINTERIZER** with concentrated dry or liquid chlorine products.

#### STORAGE AND DISPOSAL

**STORAGE:** Do not contaminate water, food, or feed by storage or disposal. Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. All pesticides should be kept out of reach of children and stored away from food.

**DISPOSAL:** Do not reuse empty container. Disposal Instructions: Call your local solid waste agency or 1-800-CLEANUP (253-2687) for proper disposal of empty containers and unused product.
